

Liberty Dental Plan (Liberty) is working with CalOptima Health OneCare Complete (HMO D-SNP), a Medicare Medi-Cal Plan, to help you understand how your oral health is part of your overall health. We support good dental care for you and your loved ones, so you can enjoy a healthy smile.

Make it easier to use your benefits

Did you know choosing a dentist from Liberty’s network will make using your dental benefits easier? Our in-network dentists work with Medi-Cal Dental to give you the best coverage.

Liberty gives you dental benefits through a wrap plan. This means it covers dental services that Medi-Cal Dental doesn’t. If you have CalOptima Health OneCare Complete, you can get more dental services from Liberty.

The table below offers details of these plans.
