Organ and Tissue Donation

Donating organs and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. If you are interested in organ donation, please speak with your CalOptima Health PACE primary care provider. Organ donation begins at the hospital when a patient is pronounced brain dead and identified as a potential organ donor. An organ procurement organization helps coordinate the donation.

CalOptima Health PACE Participant Bill of Rights

When you join a PACE program, you have certain rights and protections. CalOptima Health PACE, as your PACE program, must fully explain and provide your rights to you or someone acting on your behalf in a way you can understand at the time you join.

At CalOptima Health PACE, we are dedicated to providing you with quality health care services so that you may remain as independent as possible. This includes providing all Medicare-covered items and services and Medicaid services, and other services determined to be necessary by the Interdisciplinary Team across all care settings, 24 hours a day, 7 days a week. Our staff and contractors seek to affirm the dignity and worth of each participant by assuring the following rights:

YOU HAVE THE RIGHT TO BE TREATED WITH RESPECT.

You have the right to be treated with dignity and respect at all times, to have all of your care kept private and confidential, and to get compassionate, considerate care. You have the right:

- To get all of your health care in a safe, clean environment, and in an accessible manner.

2024 Annual Notices Newsletter

- To be free from harm. This includes physical or mental abuse, neglect, excessive medications, physical punishment, being placed by yourself against your will, and any physical or chemical restraint that is used on you for discipline or convenience of staff and that you do not need to treat your medical symptoms.
- To be encouraged and helped to use your rights in the PACE program.
- To get help, if you need it, to use the Medicare and Medi-Cal complaint and appeal processes, and your civil and other legal rights.
- To be encouraged and helped in talking to PACE staff about changes in policy and services you think should be made.
- To use a telephone while at the CalOptima Health PACE Center.
- To not have to do work or services for the PACE program.

YOU HAVE A RIGHT TO PROTECTION AGAINST DISCRIMINATION.

Discrimination is against the law. Every company or agency that works with Medicare and Medicaid must obey the law. They cannot discriminate against you because of your:

- Race
- Ethnicity
- National origin
- Religion
- Age
- Sex
- Mental or physical disability
- Sexual orientation
- Source of payment for your health care (for example, Medicare or Medicaid)

If you think you have been discriminated against for any of these reasons, contact a staff member at the PACE program to help you resolve your problem.

If you have any questions, you can call the Office for Civil Rights at **1-800-368-1019**. TTY users should call **1-800-537-7697**.

YOU HAVE A RIGHT TO INFORMATION AND ASSISTANCE.

You have the right to get accurate, easy-to-understand information and to have someone help you make informed health care decisions. You have the right:

- To have someone help you if you have a language or communication barrier so you can understand all information given to you.
- To have the PACE program interpret the information into your preferred language in a culturally competent manner, if your first language is not English and you can't speak English well enough to understand the information being given to you.
- To get marketing materials and PACE participant rights in English and in any other frequently used language in your community. You can also get these materials in braille, if necessary.
- To have the Enrollment Agreement fully explained to you in a manner understood by you.
- To get a written copy of your rights from the PACE program. The PACE program must also post these rights in a public place in the PACE Center where it is easy to see them.
- To be fully informed, in writing, of the services offered by the PACE program. This includes telling you which services are provided by contractors instead of the PACE staff. You must be given this information before you join, at the time you join and when you need to make a choice about what services to receive.

2024 Annual Notices Newsletter

- To be provided with a copy of individuals who provide care-related services not provided directly by CalOptima Health PACE upon request.
- To look at, or get help to look at, the results of the most recent review of your PACE program. Federal and State agencies review all PACE programs. You also have a right to review how the PACE program plans to correct any problems that are found at inspection.

YOU HAVE A RIGHT TO A CHOICE OF PROVIDERS.

You have the right to choose a health care provider, including your primary care provider and specialists, from within the PACE program's network and to get quality health care. Women have the right to get services from a qualified women's health care specialist for routine or preventive women's health care services.

You have the right to have reasonable and timely access to specialists as indicated by your health condition.

You also have the right to receive care across all care settings, up to and including placement in a long-term care facility when CalOptima Health PACE can no longer maintain you safely in the community.

YOU HAVE A RIGHT TO ACCESS EMERGENCY SERVICES.

You have the right to get emergency services when and where you need them without the PACE program's approval. A medical emergency is when you think your health is in serious danger — when every second counts. You may have a bad injury, sudden illness or an illness quickly getting much worse. You can get emergency care anywhere in the United States and you do not need to get permission from CalOptima Health PACE prior to seeking emergency services.

YOU HAVE A RIGHT TO PARTICIPATE IN TREATMENT DECISIONS.

You have the right to fully participate in all decisions related to your health care. If you cannot fully participate in your treatment decisions or you want to have someone you trust help you, you have the right to choose that person to act on your behalf. You have the right:

- To have all treatment options explained to you in a language you understand, to be fully informed of your health status and how well you are doing, and to make health care decisions. This includes the right not to get treatment or take medications. If you choose not to get treatment, you must be told how this will affect your health.
- To have the PACE program help you create an advance directive if you choose. An advance directive is a written document that says how you want medical decisions to be made in case you cannot speak for yourself. You should give it to the person who will carry out your instructions and make health care decisions for you.
- To participate in making and carrying out your plan of care. You can ask for your plan of care to be reviewed at any time.
- To be given advance notice, in writing, of any plan to move you to another treatment setting, and the reason you are being moved.

YOU HAVE A RIGHT TO HAVE YOUR HEALTH INFORMATION KEPT PRIVATE.

- You have the right to talk with health care providers in private and have your personal health care information kept private and confidential, including health data that is collected and kept electronically, as protected under State and Federal laws.

2024 Annual Notices Newsletter

- You have the right to look at and receive copies of your medical records and request amendments.
- You have the right to be assured that your written consent will be obtained for the release of information to persons not otherwise authorized under law to receive it.
- You have the right to provide written consent that limits the degree of information and the persons to whom information may be given.

There is a patient privacy rule that gives you more access to your own medical records and more control over how your personal health information is used. If you have any questions about this privacy rule, call the Office for Civil Rights at **1-800-368-1019**. TTY users should call **1-800-537-7697**.

YOU HAVE A RIGHT TO FILE A COMPLAINT, REQUEST ADDITIONAL SERVICES OR MAKE AN APPEAL.

You have a right to complain about the services you receive or that you need and don't receive, the quality of your care, or any other concerns or problems you have with your PACE program. You have the right to a fair and timely process for resolving concerns with your PACE program. You have the right:

- To a full explanation of the complaint process.
- To be encouraged and helped to freely explain your complaints to PACE staff and outside representatives of your choice. You must not be harmed in any way for telling someone your concerns. This includes being punished, threatened or discriminated against.
- **To contact 1-800-MEDICARE (1-800-633-4227) for information and assistance, including to make a complaint related to the quality of care or the delivery of a service.**

You have the right to request services from CalOptima Health PACE that you believe are necessary. You have the right to a comprehensive and timely process for determining whether those services should be provided.

You also have the right to appeal any denial of a service or treatment decision by the PACE program, staff or contractors.

YOU HAVE A RIGHT TO LEAVE THE PROGRAM.

If, for any reason, you do not feel that the PACE program is what you want, you have the right to leave the program at any time and have such disenrollment be effective the first day of the month following the date CalOptima Health PACE receives your notice of voluntary disenrollment.

If you feel any of your rights have been violated, or you are dissatisfied and want to file a grievance or an appeal, please report this immediately to your social worker or call our office during regular business hours at: 1-714-468-1100 or our toll-free line at 1-844-999-PACE (7223).

Information About the Appeals Process

Definition: An appeal is a participant's action taken by you with respect to CalOptima Health PACE's decision not to cover or not to pay for a service, including denials, reductions or termination of services. You will receive written information of the appeals process when you enroll and at least annually after that or whenever the Interdisciplinary Team denies a service determination request or request for payment.

When CalOptima Health PACE decides not to cover or pay for a service you want, you may take action to change our decision. The action you take — whether verbally or in writing — is called an “**appeal**.” You have the right to appeal any decision we have made to deny, reduce or stop what you believe are covered services or to pay for services that you believe we are required to pay.

Standard and Expedited Appeals Processes: There are two types of appeals processes: standard and expedited. Both of these processes are described below.

If you request a **standard appeal**, your appeal must be filed within one-hundred-and eighty (180) calendar days of when your request for service or payment of service was denied, reduced or stopped. This is the date that appears on the Notice of Action for Service or Payment Request. (The 180-day limit may be extended for good cause.) We will respond to your appeal as quickly as your health requires, but no later than thirty (30) calendar days after we receive your appeal.

If you believe that your life, health, or ability to get well or stay well is in danger without the service you want, you or any treating physician may ask for an **expedited appeal**. We will automatically decide on your appeal as promptly as your health requires, but no later than seventy-two (72) hours after we receive your request for an appeal. We may extend this time frame up to fourteen (14) days if you ask for the extension or if we justify to the Department of Health Care Services (DHCS) the need for more information and how the delay benefits you.

Note: If the reason for your appeal is that CalOptima Health PACE decided to reduce or stop service(s) you were receiving, you may choose to request to continue receiving the disputed service(s) until the appeals process is completed. If our initial decision to reduce or stop services is upheld, you may be financially responsible for the payment of disputed service(s) provided during the appeals process.

2024 Annual Notices Newsletter

The information below describes the appeals process for you or your representative to follow should you or your representative wish to file an appeal:

1. If CalOptima Health PACE denies a service or payment for a service that you or your representative has requested or reduces or stops a service you were already receiving, you may appeal the decision. A written notification will be provided to you and/or your representative that will explain the reason for the denial of your service request or request for payment, and you will also receive verbal notification.
2. You can make your appeal either verbally, in person, by telephone or in writing with PACE program staff of the center you attend. The staff person will make sure that you are provided with written information on the appeals process, and that your appeal is documented on the appropriate form. You will need to provide complete information of your appeal so the appropriate staff person can help to resolve your appeal in a timely and efficient manner. You or your representative may present or submit relevant facts and/or evidence for review, in person as well as in writing, at the address listed below. Quality Improvement Department
CalOptima Health PACE
13300 Garden Grove Blvd.
Garden Grove, CA 92843
5. You will be sent a written acknowledgement of receipt of your appeal within five (5) business days for a standard appeal. For an expedited appeal, we will notify you or your representative within one (1) business day by telephone or in person that the request for an expedited appeal has been received.
6. The reconsideration of a CalOptima Health PACE decision will be made by a person(s) not involved in the initial decision-making process in consultation with the Interdisciplinary Team and who does not have a stake in the outcome of your appeal. We will ensure that this person(s) is both impartial and appropriately credentialed in the field(s) or discipline(s) related to the services you requested.
7. Upon CalOptima Health PACE's completion of the review of your appeal, you and your representative will be notified in writing of the decision on your appeal. As necessary and depending on the outcome of the decision, CalOptima Health PACE will inform you and/or your representative of other appeal rights you may have if the decision is not in your favor. Please refer to the information described below:

The Decision on Your Appeal:

If we decide fully in your favor, we are required to provide or arrange for services as quickly as your health condition requires. **If we decide fully in your favor** on a request for **payment**, we are required to make the requested payment within sixty (60) calendar days after receiving your request for an appeal.

2024 Annual Notices Newsletter

If we do not decide fully in your favor, we will provide you with written notification that will include the specific reason(s) for the denial, why the service would not improve or maintain your overall health, your right to appeal the decision, and a description of your external appeal rights through either the Medicare or Medi-Cal program (**see Additional Appeal Rights, below**). We also are required to notify the federal Centers for Medicare & Medicaid Services and the DHCS Long-Term Care Division.

Additional Appeal Rights Under Medi-Cal and Medicare

If we do not decide in your favor on your appeal or fail to provide you a decision within the required timeframe, you have additional appeal rights. Your request to file an external appeal can be made either verbally or in writing. The next level of appeal involves a new and impartial review of your appeal request through either the Medicare or Medi-Cal program.

The Medicare program contracts with an “Independent Review Organization” to provide external review on appeals involving PACE programs. This review organization is completely independent of CalOptima Health PACE.

The Medi-Cal program conducts their next level of appeal through the State Hearing process.

If you are enrolled in both **Medicare and Medi-Cal**, we will help you choose which appeals process you should follow. We also will send your appeal to the appropriate external program for review.

If you are not sure which program you are enrolled in, ask us. The Medicare and Medi-Cal external appeal processes are described below.

Medi-Cal External Appeals Process

If you are enrolled in both **Medicare and Medi-Cal OR Medi-Cal only** and choose to appeal our decision using Medi-Cal’s external appeals process, we will send your appeal to the California Department of Social Services. At any time during the appeals process, you may request a State Hearing through:

California Department of Social Services
State Hearings Division
P.O. Box 944243, Mail Station 19-37
Sacramento, CA 94244-2430

Telephone: 1-800-952-5253
Fax: 1-916-229-4410
TTY: 1-800-952-8349

If you choose to request a State Hearing, you must ask for it within ninety (90) calendar days from the date of the decision by the third-party reviewer.

If the decision is not in your favor of your appeal, there are further levels of appeal, and we will assist you in pursuing your appeal.

Medicare External Appeals Process

If you are enrolled in both **Medicare and Medi-Cal OR Medicare only** and choose to appeal our decision using Medicare’s external appeals process, we will send your appeal to the current contracted Medicare appeals entity to impartially review your appeal. A written request for reconsideration must be filed with the current contracted Medicare appeals entity within sixty (60) calendar days from the date of the decision by the impartial reviewer of the internal appeal. The current contracted Medicare appeals entity will contact us with the results of their review. The current contracted Medicare appeals entity will either maintain our original decision or change our decision and rule in your favor.
