Step 2: Mark the boxes for the Community Supports the member is interested in receiving. The following pages provide additional eligibility information about Community Supports.

Step 3: Please check off the most appropriate Recuperative Care/Short-Term Post-Hospitalization Housing pathways based on the eligibility listed in the following pages.

Please note that members may not receive more than a combined 182 days of Short-Term Post-Hospitalization, Recuperative Care and Transitional Rent during any rolling 12-month period.

Pathway	Description	Eligibility
Recuperative Care only	Short-term residential care for individuals who no longer require hospitalization but will need to heal from an injury, illness or mental health condition.	Both must apply: Homeless or at risk of homelessness Member requires recovery in order to heal from an injury or illness.
Short-Term Post- Hospitalization Housing only	Assists members with high medical or behavioral health needs with short-term housing after leaving the hospital, recovery facility, recuperative care or other facility.	Member must meet the following criteria: (1) Member is exiting an institution, which includes recuperative care facilities, inpatient hospitals, residential substance use disorder or mental health treatment facilities, correctional facilities or nursing facilities. AND
		(2) Member is experiencing homelessness. AND
		 (3) Member meets one the following criteria: a. Is receiving ECM b. Have one or more serious chronic conditions c. Have a serious mental illness; or d. Is at risk of institutionalization or requiring residential services as a result of a substance use disorder. AND (4) Member is having ongoing physical and behavioral health needs as determined by a qualified health professional that would otherwise require continued institutional care if not for receipt of Short-Term Post-Hospitalization Housing.
Nursing Facility with plans to transition to Recuperative Care	Short-term residential care for individuals who no longer require hospitalization but still need to heal from an injury or illness or a mental health condition.	Select one that applies: Homeless or at risk of homelessness Member who is at risk of hospitalization or at post-hospitalization Members who live alone with no formal supports.
