CalOptima Health OneCare Complete (HMO D-SNP), a Medicare Medi-Cal Plan

MEMBER HANDBOOK

Chapter 1: Getting started as a member

A. Welcome to our plan

Our plan provides Medicare and Medi-Cal services to individuals who are eligible for both programs. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. We also have personal care coordinators and care teams to help you manage your providers and services. They all work together to provide the care you need.

As a CalOptima Health OneCare Complete member, you have access to one of the largest provider networks in Orange County. This means you get access to more hospitals, doctors, and specialists. CalOptima Health OneCare Complete coordinates your Medicare and Medi-Cal benefits through one single plan.

B. Information about Medicare and Medi-Cal

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or over,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. Medi-Cal

Medi-Cal is the name of California's Medicaid program. Medi-Cal is run by the state and is paid for by the state and the federal government. Medi-Cal helps people with limited incomes and resources pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who is eligible,
- what services are covered, **and**
- the cost for services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of California approved our plan. You can get Medicare and Medi-Cal services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the state of California allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Medi-Cal services isn't affected.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

C. Advantages of our plan

You'll now get all your covered Medicare and Medi-Cal services from our plan, including drugs. **You don't pay extra to join this health plan.**

We help make your Medicare and Medi-Cal benefits work better together for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You have access to a personal care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and personal care coordinator.
- Your care team and personal care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
 - Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
 - Your test results are shared with all of your doctors and other providers, as appropriate.

New members to CalOptima Health OneCare Complete: In most instances, you'll be enrolled in CalOptima Health OneCare Complete for your Medicare benefits on the 1st day of the month after you request to be enrolled in CalOptima Health OneCare Complete. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you'll receive your Medi-Cal services through CalOptima Health OneCare Complete. There will be no gap in your Medi-Cal coverage. Please call us at the number at the bottom of the page if you have any questions.

D. Our plan's service area

Our service area includes Orange County, California.

Only people who live in our service area can join our plan.

You can't stay in our plan if you move outside of our service area. Refer to **Chapter 8** of this *Member Handbook* for more information about the effects of moving out of our service area.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

E. What makes you eligible to be a plan member

You are eligible for our plan as long as you:

- live in our service area (incarcerated individuals aren't considered living in the service area even if they're physically located in it), **and**
- are age 21 and older at the time of enrollment, **and**
- have both Medicare Part A and Medicare Part B, **and**
- are a United States citizen or are lawfully present in the United States, **and**
- are currently eligible for Medi-Cal.

If you lose Medi-Cal eligibility but can be expected to regain it within six (6) months then you're still eligible for our plan.

Call Customer Service for more information.

F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within 90 days before or after your enrollment effective date.

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail.

We'll send you more information about this HRA.

If our plan is new for you, you can keep using the doctors you use now for a certain amount of time, even if they're not in our network. We call this continuity of care. If they're not in our network, you can keep your current providers and service authorizations at the time you enroll for up to 12 months if all of the following conditions are met:

- You, your representative, or your provider asks us to let you keep using your current provider.
- We establish that you had an existing relationship with a primary or specialty care provider, with some exceptions. When we say "existing relationship," it means that you saw an out-of-network provider at least once for a non-emergency visit during the 12 months before the date of your initial enrollment in our plan.
 - We determine an existing relationship by reviewing your available health information or information you give us.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

- We have 30 days to respond to your request. You can ask us to make a faster decision, and we must respond in 15 days. You can make this request by calling **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. If you're at risk of harm, we must respond within 3 days.
- You or your provider must show documentation of an existing relationship and agree to certain terms when you make the request.

Note: You can make this request for providers of Durable Medical Equipment (DME) for at least 90 days until we authorize a new DME rental and have a network provider deliver the rental. Although you can't make this request for providers of transportation or other ancillary providers, you can make a request for services of transportation or other ancillary services not included in our plan.

After the continuity of care period ends, you'll need to use doctors and other providers in the CalOptima Health OneCare Complete network that are affiliated with your primary care provider's health network, unless we make an agreement with your out-of-network doctor. A network provider is a provider who works with the health plan. A health network is a group of doctors and hospitals that contracts with CalOptima Health OneCare Complete to provide covered services to our members. Refer to **Chapter 3** of this *Member Handbook* for more information on getting care.

G. Your care team and care plan

G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a personal care coordinator, or other health person that you choose.

A personal care coordinator is a person trained to help you manage the care you need. You get a personal care coordinator when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your personal care coordinator and care team.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS or other services.

Your care plan includes:

- your health care goals, **and**
- a timeline for getting the services you need.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

H. Summary of important costs

Our plan has no premium.

Your costs may include the following:

- Medicare Prescription Payment Plan Amount (**Section H1**)

In some situations, your plan premium could be less.

H1. Medicare Prescription Payment Amount

If you're participating in the Medicare Prescription Payment Plan, you'll get a bill from your plan for your drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year.

Chapter 2 tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in **Chapter 9** to make a complaint or appeal.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

MEMBER HANDBOOK

Chapter 1: Getting started as a member

As long as you're a member of our plan, you don't need to use your red, white, and blue Medicare card or your Medi-Cal card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. You may be asked to show your Medicare card if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials). Refer to **Chapter 7** of this *Member Handbook* to find out what to do if you get a bill from a provider.

Remember, you need your Medi-Cal card or Benefits Identification Card (BIC) to access the following services:

- Medi-Cal Dental Services
 - Medi-Cal dental services (through the Medi-Cal Dental Program) covers some dental services.
 - If you have questions or want to learn more about dental services, call the Medi-Cal Dental Program at 1-800-322-6384 (TTY 1-800-735-2922 or 711), 8:00 a.m. to 5:00 p.m., Monday through Friday. You may also visit the Medi-Cal Dental Program website at <https://www.dental.dhcs.ca.gov> or <https://smilecalifornia.org/>.
- Behavioral Health Services
 - Non-specialty mental health services (NSMHS) are covered by CalOptima Health and specialty mental health services (SMHS) are covered by the Orange County Health Care Agency's (OCHCA) Mental Health Plan.
 - If you have questions or want to learn more about behavioral health services, call the CalOptima Health Behavioral Health Line at **1-855-877-3885 (TTY 711)**, 24 hours a day, 7 days a week.
- In Home Supportive Services (IHSS)
 - If you have questions or want to learn more about In Home Supportive Services (IHSS), call the Orange County Social Service Agency at 1-714-825-3000 or 1-800-281-9799 (TTY 1-800-735-2929).

J2. Provider and Pharmacy Directory

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Customer Service at the numbers at the bottom of the page. Requests for hard copy Provider and Pharmacy Directories will be mailed to you within three business days.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

MEMBER HANDBOOK

Chapter 1: Getting started as a member

You can also refer to the *Provider and Pharmacy Directory* at the web address at the bottom of the page.

The *Provider and Pharmacy Directory* gives you a listing of all health networks, PCPs, specialists, clinic, hospitals, and pharmacies contracted with CalOptima Health OneCare Complete.

Definition of network providers

- Our network providers include:
 - doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**,
 - LTSS, behavioral health services, home health agencies, durable medical equipment (DME) suppliers, and others who provide goods and services that you get through Medicare or Medi-Cal.

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to pay for them.

Call Customer Service at the numbers at the bottom of the page for more information. Both Customer Service and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

J3. List of Covered Drugs

Our plan has a *List of Covered Drugs*. We call it the *Drug List* for short. It tells you which drugs our plan covers. The drugs on this list are selected by our plan with the help of doctors and pharmacists. The *Drug List* must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your *Drug List* unless they have been removed and replaced as described in **Chapter 5, Section E**. Medicare approved the CalOptima Health OneCare Complete *Drug List*.

The *Drug List* also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of this *Member Handbook* for more information.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

CalOptima Health OneCare Complete (HMO D-SNP), a Medicare Medi-Cal Plan

MEMBER HANDBOOK

Chapter 1: Getting started as a member

Each year, we send you information about how to access the *Drug List*, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call Customer Service or visit our website at the address at the bottom of the page.

J4. The *Explanation of Benefits*

When you use your Medicare Part D drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D drugs. This summary is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D drugs and the total amount we paid for each of your Medicare Part D drugs during the month. This EOB isn't a bill. The EOB has more information about the drugs you take such as increases in price and other drugs with lower cost-sharing that may be available. You can talk to your prescriber about these lower cost options. **Chapter 6** of this *Member Handbook* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Customer Service at the numbers at the bottom of the page.

K. Keeping your membership record up to date

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. The doctors, hospitals, pharmacists, and other providers in our plan's network use your membership record to know what services and drugs are covered and your cost-sharing amounts. Because of this, it's very important to help us keep your information up to date.

Tell us right away about the following:

- changes to your name, address, or phone number;
- changes to any other health insurance coverage, such as from your employer, your spouse's employer, or your domestic partner's employer, or workers' compensation;
- any liability claims, such as claims from an automobile accident;
- admission to a nursing facility or hospital;
- care from a hospital or emergency room;
- changes in your caregiver (or anyone responsible for you); **and**,

- if you participate in a clinical research study. (**Note:** You're not required to tell us about a clinical research study you intend to participate in, but we encourage you to do so.)

If any information changes, call Customer Service at the numbers at the bottom of the page.

K1. Privacy of personal health information (PHI)

Information in your membership record may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of this *Member Handbook*.

L. Programs to Help People Pay for Drugs

The Medicare website (www.medicare.gov/basics/costs/help/drug-costs) provides information on how to lower your drug costs. For people with limited incomes, there are also other programs to assist, as described below.

L1. Extra Help from Medicare

Because you're eligible for Medi-Cal, you qualify for and are getting "Extra Help" from Medicare to pay for your drug plan costs. You don't need to do anything to get this "Extra Help."

If you think you're paying an incorrect amount for your prescription at a pharmacy, our plan has a process to help get evidence of your correct copayment amount. If you already have evidence of the right amount, we can help you share this evidence with us.

- To request assistance with obtaining evidence, or to provide us this evidence, please call CalOptima Health OneCare Complete Customer Service at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week.
- When we get the evidence showing the right copayment level, we'll update our system so you can pay the right copayment amount when you get your next prescription. If you overpay your copayment, we'll pay you back either by check or a future copayment credit. If the pharmacy didn't collect your copayment and you owe them debt, we may make the payment directly to the pharmacy. If the state paid on your behalf, we may make payment directly to the state. Call Customer Service at the number at the bottom of the page if you have questions.

L2. AIDS Drug Assistance Program (ADAP)

ADAP helps ADAP-eligible people living with HIV/AIDS have access to life-saving HIV drugs. Medicare Part D drugs that are also on the ADAP formulary qualify for prescription cost-sharing help through the AIDS Drug Assistance Program (ADAP). Note: To be eligible for the ADAP in your state, people must meet certain criteria, including proof of the state

residence and HIV status, low income (as defined by the state), and uninsured/under-insured status. If you change plans, notify your local ADAP enrollment worker so you can continue to receive assistance for information on eligibility criteria, covered drugs, or how to enroll in the program, please call 1-844-421-7050.

L3. The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January-December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. If you're participating in the Medicare Prescription Payment Plan and stay in the same plan, you don't need to do anything to continue this option.**

"Extra Help" from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in this payment option, no matter your income level, and plans with drug coverage must offer this payment option. To learn more about this payment option, call Customer Service at the phone number at the bottom of the page or visit www.medicare.gov.

Chapter 3: Using our plan's coverage for your health care and other covered services

A. Information about services and providers

Services are health care, long-term services and supports (LTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment, and other services.

Covered services are any of these services that our plan pays for. Covered health care, behavioral health, and LTSS are in **Chapter 4** of this *Member Handbook*. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of this *Member Handbook*.

Providers are doctors, nurses, and other people who give you services and care and are licensed by the state. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain LTSS.

Network providers are providers who work with our plan. These providers agree to accept our payment as full payment. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

B. Rules for getting services our plan covers

Our plan covers all services covered by Medicare, and most Medi-Cal services. This includes certain behavioral health and LTSS.

Our plan will generally pay for health care services, behavioral health services, and many LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be included in our Medical Benefits Chart in **Chapter 4** of this *Member Handbook*.
- The care must be **medically necessary**. By medically necessary, we mean services that are reasonable and necessary to diagnose and treat your medical condition. Medically necessary care is needed to keep individuals from getting seriously ill or becoming disabled and reduces severe pain by treating disease, illness, or injury.
- For medical services, you must have a network **primary care provider (PCP)** providing and overseeing your care. As a plan member, you must choose a network provider to be your PCP (for more information, go to **Section D1** of this chapter).
 - In cases where you need an out-of-network provider, your PCP must submit a request for review. In the event these services are not approved, they may be modified to an in-network provider.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

Chapter 3: Using our plan's coverage for your health care and other covered services

- Our plan's PCPs are affiliated with health networks. When you choose your PCP, you're also choosing the affiliated health network. This means that your PCP refers you to specialists and services that are also affiliated with their health network. A health network is a group of doctors and hospitals that contracts with CalOptima Health OneCare Complete to provide covered services to our members.
- You don't need referrals from your PCP for emergency care or urgently needed care, to use a woman's health provider, or for any of the other services listed in **Section D1** of this chapter.
- **You must get your care from network providers** (for more information, go to **Section D** in this chapter). Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you'll have to pay the provider in full for services you get. Here are some cases when this rule doesn't apply:
 - We cover emergency or urgently needed care from an out-of-network provider (for more information, go to **Section H** in this chapter).
 - If you need care that our plan covers and our network providers can't provide it, you can get care from an out-of-network provider. In this situation, we cover the care at no cost to you. For information about getting approval to use an out-of-network provider, go to **Section D4** in this chapter.
 - We cover kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible.
 - When you first join our plan, you can ask to continue using your current providers. With some exceptions, we must approve this request if we can establish that you had an existing relationship with the providers. Refer to **Chapter 1** of this *Member Handbook*. If we approve your request, you can continue using the providers you use now for up to 12 months for services. During that time, your personal care coordinator will contact you to help you find providers in our network that are affiliated with your PCP's health network. After 12 months, we'll no longer cover your care if you continue to use providers that aren't in our network and not affiliated with your PCP's health network.

Chapter 3: Using our plan's coverage for your health care
and other covered services

D. Care from providers

D1. Care from a primary care provider (PCP)

You must choose a PCP to provide and manage your care. Our plan's PCPs are affiliated with health networks. When you choose your PCP, you're also choosing the affiliated health network.

Definition of a PCP and what a PCP does do for you

What is a PCP? Your PCP is a physician who meets state requirements and is trained to give you basic medical care.

What is a health network? Your health network is a group of doctors and hospitals contracted to provide health care services to members in our plan.

What types of providers may act as a PCP? The CalOptima Health OneCare Complete *Provider and Pharmacy Directory* lists all the network providers who may act as a PCP. Certain specialists including obstetricians-gynecologists may act as a PCP if they agree to do so and are listed as a PCP in the *Provider and Pharmacy Directory*.

You will get your routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a member of CalOptima Health OneCare Complete. Coordinating your services means checking or consulting with other plan providers about your care and how it is going. In some cases you must see your PCP to get a referral before you see any other health care provider or for prior approval of certain covered services or supplies. For certain types of covered services or supplies, you must get approval in advance from your PCP (such as giving you a referral to see a specialist).

Can a clinic be my primary care provider? Yes. Members may choose Federally-Qualified Health Centers (FQHC) listed as PCPs in the CalOptima Health OneCare Complete *Provider and Pharmacy Directory* as their primary care provider.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

Your choice of PCP

CalOptima Health OneCare Complete has a *Provider and Pharmacy Directory* available upon request. This directory gives you a listing of all health networks, PCPs, specialists, clinics, and hospitals contracted with CalOptima Health OneCare Complete to provide services to CalOptima Health OneCare Complete members. To request a *Provider and Pharmacy Directory* please call CalOptima Health OneCare Complete Customer Service at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week.

The PCPs are listed by city under their affiliated health networks. Find the name of the PCP that you want as your primary care provider. Your PCP must be with the health network that you choose.

Look below the PCP's name to find his/her ID number and call CalOptima Health OneCare Complete Customer Service to let us know your choice.

If there's a particular specialist or hospital that you want to use, find out if they're affiliated with your PCP's health network. You can look in the *Provider and Pharmacy Directory* or ask Customer Service to find out if that specialist or that hospital is in your PCP's health network.

Option to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network.

You can change your PCP at any time by calling Customer Service at the phone number at the bottom of the page or by accessing our secure online member portal at <https://member.caloptima.org/#/user/login>. In most cases, the effective date of your new PCP will be the first (1st) of the month following the date your request is received.

If you need help choosing a PCP, call CalOptima Health OneCare Complete Customer Service. When you call, be sure to tell Customer Service if you are seeing specialists or getting other covered services that need your PCP's approval (such as home health services and durable medical equipment). We will help make sure that you can continue with the specialty care and other services you have been getting when you change your PCP. We will also check to be sure the PCP you want to switch to is accepting new patients. Customer Service will change your membership record to show the name of your new PCP and tell you when the change to your new PCP will take effect. We will also send you a new ID card that shows the name and phone number of your new PCP.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

Chapter 3: Using our plan's coverage for your health care and other covered services

Our plan's PCPs are affiliated with health networks. If you change your PCP, you may also be changing health networks. When you ask for a change, tell Customer Service if you use a specialist or get other covered services from your health network. Customer Service helps you continue your specialty care and other services when you change your PCP.

Services you can get without approval from your PCP

In most cases, you need approval from your PCP before using other providers. This approval is called a **referral**. You can get services like the ones listed below without getting approval from your PCP first:

- Emergency services from network providers or out-of-network providers
- Urgently needed covered services that require immediate medical attention (but not an emergency) if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our network is temporarily unavailable.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside our plan's service area. If you call Customer Service before you leave the service area, we can help you receive dialysis while you're away.
- Flu shots and COVID-19 vaccine as well as hepatitis B vaccines and pneumonia vaccines as long as you get them from a network provider.
- Routine women's health care and family planning services. This includes breast exams, screening mammograms (X-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.

Additionally, if you're an American Indian Member, you may get Covered Services from an Indian Health Care Provider of your choice, without requiring a referral from a Network PCP or Prior Authorization.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists who care for patients with cancer.
- Cardiologists who care for patients with heart problems.
- Orthopedists who care for patients with bone, joint, or muscle problems.

When your PCP thinks that you need specialized treatment, he/she will give you a referral (approval in advance) to see a plan specialist or certain other providers. For some types of referrals, your PCP may need to get approval in advance from CalOptima Health OneCare Complete (this is called getting "prior authorization"). Please refer to the Benefits Chart in **Chapter 4** for information about which services require prior authorization.

A written referral may be for a single visit or it may be a standing referral for more than one visit if you need ongoing services. We must give you a standing referral to a qualified specialist for any of these conditions:

- a chronic (ongoing) condition;
- a life-threatening mental or physical illness;
- a degenerative disease or disability;
- any other condition or disease that is serious or complex enough to require treatment by a specialist.

If you do not get a written referral when needed, the bill may not be paid. For more information, call Customer Service at the number at the bottom of this page.

D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have these rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We'll notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past three years.
 - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past three months.
- We'll help you select a new qualified in-network provider to continue managing your health care needs.
- If you're currently undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. Prior authorization is needed to see out-of-network providers.
- If you find out one of your providers is leaving our plan, contact us. We can help you choose a new provider to manage your care.
- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the Quality Improvement Organization (QIO), a quality of care grievance, or both. - Providers must tell you if they aren't eligible to participate in Medicare.

You have access to certain LTSS through our plan, including skilled nursing facility care, Community Based Adult Services (CBAS), and Community Supports. G. Transportation services

G1. Non-Emergency Medical Transportation

You're entitled to non-emergency medical transportation if you have medical needs that don't allow you to use a car, bus, or taxi to your appointments. Non-emergency medical transportation can be provided for covered services such as medical, dental, mental health, substance use, and pharmacy appointments. If you need non-emergency medical transportation, you can talk to your PCP and ask for it. Your PCP will decide the best type of transportation to meet your needs. If you need non-emergency medical transportation, they'll prescribe it by completing a form and submitting it to CalOptima Health OneCare Complete for approval. Depending on your medical need, the approval is good for one year. Your PCP will reassess your need for non-emergency medical transportation for re-approval every 12 months.

Non-emergency medical transportation is an ambulance, litter van, wheelchair van, or air transport. CalOptima Health OneCare Complete allows the lowest cost covered transportation mode and most appropriate non-emergency medical transportation for your medical needs when you need a ride to your appointment. For example, if you can physically or medically be transported by a wheelchair van, CalOptima Health OneCare Complete won't pay for an ambulance. You're only entitled to air transport if your medical condition makes any form of ground transportation impossible.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

H. Covered services in a medical emergency, when urgently needed, or during a disaster

H1. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as illness, severe pain, serious injury, or a medical condition that's quickly getting worse. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your life or to that of your unborn child; **or**
- loss of or serious harm to bodily functions; **or**
- serious dysfunction of any bodily organ or part; **or**
- In the case of a pregnant woman in active labor, when:
 - There isn't enough time to safely transfer you to another hospital before delivery.
 - A transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You **don't** need approval or a referral from your PCP. You don't need to use a network provider. You can get covered emergency medical care whenever you need it, anywhere in the U.S. or its territories or worldwide, from any provider with an appropriate state license, even if they're not part of our network.
- **As soon as possible, tell our plan about your emergency.** We follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay telling us. Call CalOptima Health OneCare Complete at **1-877-412-2734** (TTY **711**), 24 hours a day, 7 days a week for more information.

Chapter 3: Using our plan's coverage for your health care and other covered services

Covered services in a medical emergency

Medicare does not provide coverage for emergency medical care outside the United States and its territories. CalOptima Health OneCare Complete provides an extra benefit by reimbursing up to \$100,000 per year for emergency medical care received outside the United States.

Our plan covers ambulance services in situations when getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They'll continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we'll try to get network providers to take over your care as soon as possible.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

However, after the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider **or**
- The additional care you get is considered "urgently needed care" and you follow the rules for getting it. Refer to the next section.

H2. Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or an unforeseen illness or injury.

Urgently needed care in our plan's service area

We cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it isn't possible or reasonable to get to a network provider, given your time, place or circumstances, we cover urgently needed care you get from an out-of-network provider.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

Contact your health network to find out how to access urgent care services. Your health network phone number can be found on your CalOptima Health OneCare Complete membership ID card.

Urgently needed care outside our plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed, even if you're outside our plan's service area or our plan network is temporarily unavailable.

Our plan doesn't cover urgently needed care or any other non-emergency care that you get outside the United States and its territories.

Our plan covers worldwide emergency and urgently needed care services outside the United States and its territories under the following circumstances:

- We provide a \$100,000 benefit per calendar year for emergency, urgent care services and emergency transportation received outside the United States. Services are covered worldwide under the same conditions of medical necessity and appropriateness that would have applied if the same services were provided within the United States.
- You must first pay for medical care received, obtain a discharge summary or equivalent medical documentation and proof of payment, preferably in English and U.S. dollars. Submit the reimbursement request with all supporting documentation to CalOptima Health OneCare Complete, and we will review for medical necessity and appropriateness before reimbursement is made.

H3. Care during a disaster

If the governor of California, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster:

<https://www.caloptima.org/en/health-insurance-plans/onecare/benefits-and-services>.

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill your drugs at an out-of-network pharmacy. Refer to **Chapter 5** of this *Member Handbook* for more information.

You shouldn't pay the bill yourself. If you do, we may not be able to pay you back.

I1. What to do if our plan doesn't cover services

Our plan covers all services:

- that are determined medically necessary, **and**
- that are listed in our plan's Benefits Chart (refer to **Chapter 4** of this *Member Handbook*), **and**
- that you get by following plan rules.

If you get services that our plan doesn't cover, **you pay the full cost yourself**, unless it's covered by another Medi-Cal program outside our plan.

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we won't pay for your services, you have the right to appeal our decision.

Chapter 9 of this *Member Handbook* explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Customer Service to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Customer Service to find out what the benefit limits are and how much of your benefits you've used.

J. Coverage of health care services in a clinical research study

J1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

Chapter 3: Using our plan's coverage for your health care and other covered services

If you want to take part in any Medicare-approved clinical research study, you **don't** need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study **don't** need to be network providers. This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study, covered for enrollees by Original Medicare, we encourage you or your personal care coordinator to contact Customer Service to let us know you'll take part in a clinical trial.

J2. Payment for services when you participate in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study, as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- an operation or other medical procedure that's part of the research study
- treatment of any side effects and complications of the new care

If you're part of a study that Medicare **hasn't** approved, you pay any costs for being in the study.

J3. More about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website

(www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

K. How your health care services are covered in a religious non-medical health care institution

K1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

K2. Care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're against getting medical treatment that's "non-excepted."

- "Non-excepted" medical treatment is any care or treatment that's **voluntary and not required** by any federal, state, or local law.
- "Excepted" medical treatment is any care or treatment that's **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers non-religious aspects of care.
- If you get services from this institution provided to you in a facility:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from us before you're admitted to the facility, or your stay **won't** be covered.

Medicare Inpatient Hospital coverage limits apply. Please refer to the Benefits Chart in **Chapter 4**.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

and other covered services

L. Durable medical equipment (DME)

L1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You own some DME items, such as prosthetics.

Other types of DME you must rent. As a member of our plan, you usually **won't** own the rented DME items, no matter how long you rent it.

In some limited situations, we transfer ownership of the DME item to you. Call Customer Service at the phone number at the bottom of the page for more information.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you **won't** own the equipment.

L2. DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) plan, the plan can set the number of months people must rent certain types of DME before they own it.

Services that are not covered by Medicare will be covered by the Medi-Cal benefit.

If you no longer have Medi-Cal, you'll have to make 13 payments in a row under Original Medicare, or you'll have to make the number of payments in a row set by the MA plan, to own the DME item if:

- you didn't become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, **those Original Medicare or MA plan payments don't count toward the payments you need to make after leaving our plan.**

- You'll have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

Chapter 3: Using our plan's coverage for your health care
and other covered services

L3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare, we cover:

- rental of oxygen equipment
- delivery of oxygen and oxygen contents
- tubing and related accessories for the delivery of oxygen and oxygen contents
- maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

L4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above. Medicare and Medi-Cal cover these payments if you're still enrolled in Medicare and Medi-Cal.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- oxygen equipment, supplies, and services for another 24 months
- oxygen equipment and supplies for up to 5 years if medically necessary

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new 5-year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

A. Your covered services

This chapter tells you about services our plan covers. You can also learn about services that aren't covered. Information about drug benefits is in **Chapter 5** of this *Member Handbook*. This chapter also explains limits on some services.

Because you get help from Medi-Cal, you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3** of this *Member Handbook* for details about our plan's rules.

If you need help understanding what services are covered, call Customer Service at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week.

If you lose your Medi-Cal eligibility, CalOptima Health OneCare Complete will continue to cover all of your Medicare covered benefits for up to 6-months while you re-apply for Medi-Cal (6-month period of deemed continued eligibility). However, during this period, we will not continue to cover Medi-Cal (Medicaid) benefits that are included under the applicable Medi-Cal (Medicaid) State Plan, and we will not pay the Medicare premiums or cost-sharing that Medi-Cal would pay on your behalf. Medicare cost-sharing amounts for Medicare basic and supplemental benefits do not change during this period. However, you may be responsible for Medicare cost-sharing (co-insurance) of 20% if you go to an out-of-network, non-contracted provider.

B. Rules against providers charging you for services

We don't allow our providers to bill you for in network covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7** of this *Member Handbook* or call Customer Service.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

C. About our plan's Benefits Chart

The Benefits Chart tells you the services our plan pays for. It lists covered services in alphabetical order and explains them.

We pay for the services listed in the Benefits Chart when the following rules are met. You **don't** pay anything for the services listed in the Benefits Chart, as long as you meet the requirements described below.

- We provide covered Medicare and Medi-Cal covered services according to the rules set by Medicare and Medi-Cal.
- The services including medical care, behavioral health and substance use services, long-term services and supports, supplies, equipment, and drugs must be "medically necessary." Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For new enrollees, for the first 90 days we may not require you to get approval in advance for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.
- You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you get from an out-of-network provider won't be covered unless it's an emergency or urgently needed care or unless your plan or a network provider gave you a referral. **Chapter 3** of this *Member Handbook* has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team providing and managing your care. In some cases, your PCP must give you approval before you can use a provider that isn't your PCP or use other providers in our plan's network. This is called a referral. **Chapter 3** of this *Member Handbook* has more information about getting a referral and when you **don't** need one.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization (PA). We mark covered services in the Benefits Chart that need PA with an asterisk (*).
- If your plan provides approval of a PA request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care based on coverage criteria, your medical history, and the treating provider's recommendations.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

- If you lose your Medi-Cal benefits, within the six (6) months period of deemed continued eligibility, your Medicare benefits in this plan will continue. However, your Medi-Cal service may not be covered. Contact your county eligibility office or Health Care Options for information about your Medi-Cal eligibility. You can keep your Medicare benefits, but not your Medi-Cal benefits.

Members may continue to receive the Personal Care and Homemaker Services Community Support during this reassessment waiting period.

Members can access this service by requesting a referral through self-referral, referral by a health care provider, or referral by a Community Support provider. Referral forms can be found on CalOptima Health's website at

Environmental Accessibility Adaptations (Home Modifications): Environmental Accessibility Adaptations (EAAs also known as Home Modifications) are physical adaptations to a home that are necessary to ensure the health, welfare, and safety of the member, or enable the member to function with greater independence in the home: without which the Member would require institutionalization.

- To be eligible:
 - Members at risk for institutionalization in a nursing facility
- Limitations include:
 - If another State Plan service such as Durable Medical Equipment (DME), is available and would accomplish the same goals of independence and avoid institutional placement, that service should be used.
 - EAAs must be conducted in accordance with applicable State and local building codes.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

- EAAs are payable up to a total lifetime maximum of \$7,500. The only exceptions to the \$7,500 total maximum are if the Member's place of residence changes or if the Member's condition has changed so significantly that those additional modifications are necessary to ensure the health, welfare, and safety of the Member, or are necessary to enable the Member to function with greater independence in the home and avoid institutionalization or hospitalization.
- EAAs may include finishing (e.g., drywall and painting) to return the home to a habitable condition, but do not include aesthetic embellishments.
- Modifications are limited to those that are of direct medical or remedial benefit to the Member and exclude adaptations or improvements that are of general utility to the household. Adaptations that add to the total square footage of the home are excluded except when necessary to complete an adaptation (e.g., to improve entrance/egress to a residence or to configure a bathroom to accommodate a wheelchair).

Members can access this service by requesting a referral through self-referral, referral by a health care provider, or referral by a Community Support provider. Referral forms can be found on CalOptima Health's website at

 - Members who have chronic or other serious health conditions that are nutrition sensitive, such as (but not limited to):
 - Cancer(s), cardiovascular disorders, chronic kidney disease, chronic lung disorders or other pulmonary conditions such as asthma/COPD, heart failure, diabetes or other metabolic conditions, elevated lead levels, end-stage renal disease, high cholesterol, human immunodeficiency virus, hypertension, liver disease, dyslipidemia, fatty liver, malnutrition, obesity, stroke, gastrointestinal disorders, gestational diabetes, high risk perinatal conditions, and chronic or disabling mental/behavioral health disorders

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

 - Meals, food, payments, and nutrition services that are eligible for or reimbursed by alternate programs for the Member cannot be funded or counted by MCPs as an MTM/MSF Community Support.

Members can access this service by requesting a referral through self-referral, referral by a health care provider, or referral by a Community Support provider. Referral forms can be found on CalOptima Health's website at

<https://www.caloptima.org/en/community-impact/calaim#toolkits>.

Sobering Centers: Sobering Centers are alternative destinations for members who are found to be publicly intoxicated (due to alcohol and/or other drugs) and would otherwise be transported to the emergency department or jail.  - Intoxicated but conscious;
 - Cooperative;
 - Able to walk;

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

Asthma Remediation: Asthma Remediation can prevent acute asthma episodes that could result in the need for emergency services and hospitalization. The Asthma Remediation Community Support consists of supplies and/or physical modifications to a home environment that are necessary to ensure the health, welfare, and safety of a Member, or to enable a Member to function in the home with reduced likelihood of experiencing acute asthma episodes.

- To be eligible:
 - Members with a completed in-home environmental trigger assessment within the last 12 months through the Asthma Preventive Services (APS) benefit that identifies medically appropriate Asthma Remediations and specifies how the interventions meet the needs of the Member.
 - Effective January 1, 2026, CalOptima Health must cover in-home environmental trigger assessments through the APS benefit.
 - When authorizing physical modifications and supplies for Asthma Remediation as a Community Support, CalOptima Health must receive and document that an assessment is completed. An in-home trigger assessment within the last 12 months, assuming no change in the Member's residence, provided under the APSs benefit suffices as a medical appropriateness determination for Asthma Remediation. No further documentation of medical appropriateness is required for the MCP to authorize Asthma Remediation.
- Limitations include:
 - If another State Plan service beyond the APS, such as Durable Medical Equipment (DME), is available and would accomplish the same goals of preventing asthma emergencies or hospitalizations, the State Plan service should be accessed first.
 - Asthma remediations must be conducted in accordance with applicable State and local building codes.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

- Asthma remediations are payable up to a total lifetime maximum of \$7,500. The only exception to the \$7,500 total maximum is if the Member's condition has changed so significantly that additional modifications are necessary to ensure the health, welfare, and safety of the Member, or are necessary to enable the Member to function with greater independence in the home and avoid institutionalization or hospitalization.
- Asthma Remediation home modifications are limited to those that are of direct medical or remedial benefit to the Member and exclude adaptations or improvements that are of general utility to the household. Remediations may include finishing (e.g., drywall and painting) to return the home to a habitable condition, but do not include aesthetic embellishments.
- Before commencement of a permanent physical adaptation to the home or installation of equipment in the home, such as installation of an exhaust fan or replacement of moldy drywall, CalOptima Health must provide the owner and Member with written documentation that the modifications are permanent and that the State is not responsible for maintenance or repair of any modification nor for removal of any modification if the Member ceases to reside at the residence. This requirement does not apply to the provision of supplies that are not permanent adaptations or installations, including but not limited to: allergen impermeable mattress and pillow dust covers, high-efficiency particulate air (HEPA) filtered vacuum, de-humidifiers, portable air filters, and asthma-friendly cleaning products and supplies.

F. Benefits covered outside of our plan

We don't cover the following services, but they're available through Medi-Cal fee-for service.

F1. California Community Transitions (CCT)

The California Community Transitions (CCT) program uses local Lead Organizations to help eligible Medi-Cal beneficiaries, who've lived in an inpatient facility for at least 60 consecutive days, transition back to, and remaining safely in, a community setting. The CCT program funds transition coordination services during the pre-transition period and for 365 days post transition to assist beneficiaries with moving back to a community setting.

You can get transition coordination services from any CCT Lead Organization that serves the county you live in. You can find a list of CCT Lead Organizations and the counties they serve on the Department of Health Care Services website at: www.dhcs.ca.gov/services/ltc/Pages/CCT.

For CCT transition coordination services

Medi-Cal pays for the transition coordination services. You pay nothing for these services.

For services not related to your CCT transition

The provider bills us for your services. Our plan pays for the services provided after your transition. You pay nothing for these services.

While you get CCT transition coordination services, we pay for services listed in the Benefits Chart in **Section D**.

No change in drug coverage benefit

The CCT program **doesn't** cover drugs. You continue to get your normal drug benefit through our plan. For more information, refer to **Chapter 5** of this *Member Handbook*.

Note: If you need non-CCT transition care, call your personal care coordinator to arrange the services. Non-CCT transition care is care **not** related to your transition from an institution or facility.

If you have questions, please call CalOptima Health OneCare Complete at 1-877-412-2734 (TTY 711), 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

F3. In-Home Supportive Services (IHSS)

The IHSS Program will help pay enrolled care providers for services provided to you so that you can remain safely in your own home. IHSS is considered an alternative to out-of-home care, such as nursing homes or board and care facilities.

To receive services, an assessment is conducted to determine which types of services may be authorized for each participant based on their needs. The types of services which can be authorized through IHSS are housecleaning, meal preparation, laundry, grocery shopping, personal care services (such as bowel and bladder care, bathing, grooming and paramedical services), accompaniment to medical appointments, and protective supervision for the mentally impaired.

Your personal care coordinator can help you apply for IHSS with your county social service agency. For information, please call IHSS at 1-714-825-3000.

F4. 1915(c) Home and Community Based Services (HCBS) Waiver Programs

Assisted Living Waiver (ALW)

- The Assisted Living Waiver (ALW) offers Medi-Cal eligible beneficiaries the choice of residing in an assisted living setting as an alternative to long-term placement in a nursing facility. The goal of the ALW is to facilitate nursing facility transition back into a homelike and community setting or prevent skilled nursing admissions for beneficiaries with an imminent need for nursing facility placement.
- Members who are enrolled in ALW can remain enrolled in ALW while also receiving benefits provided by our plan. Our plan works with your ALW Care Coordination Agency to coordinate the services you receive.
- The ALW is currently only available in the following counties: Alameda, Contra Costa, Fresno, Kern, Los Angeles, Orange, Riverside, Sacramento, San Bernardino, San Diego, San Francisco, San Joaquin, San Mateo, Santa Clara, and Sonoma.
- Your personal care coordinator can help you apply for the ALW.

HCBS Waiver for Californians with Developmental Disabilities (HCBS-DD)

California Self-Determination Program (SDP) Waiver for Individuals with Developmental Disabilities

- There are two 1915(c) waivers, the HCBS-DD Waiver and SDP Waiver, that provide services to people who have been diagnosed with a developmental disability that begins before the individual's 18th birthday and is expected to continue indefinitely. Both waivers are a way to fund certain services that allow persons with developmental disabilities to live at home or in the community rather than residing in a licensed health facility. Costs for these services are funded jointly by the federal government's Medicaid program and the State of California. Your personal care coordinator can help connect you to DD Waiver services.

Home and Community-Based Alternative (HCBA) Waiver

- The HCBA Waiver provides care management services to persons at risk for nursing home or institutional placement. The care management services are provided by a multidisciplinary Care Management Team comprised of a nurse and social worker. The team coordinates Waiver and State Plan services (such as medical, behavioral health, In-Home Supportive Services, etc.), and arranges for other long-term services and supports available in the local community. Care management and Waiver services are provided in the participant's community-based residence. This residence can be privately owned, secured through a tenant lease arrangement, or the residence of a participant's family member.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

- Your personal care coordinator can help you apply for the HCBA.

Please see below for a list of local HCBA care coordination agencies that service Orange County:

Medi-Cal Waiver Program (MCWP)

- The Medi-Cal Waiver Program (MCWP) provides comprehensive case management and direct care services to persons living with HIV as an alternative to nursing facility care or hospitalization. Case management is a participant centered, team approach consisting of a registered nurse and social work case manager. Case managers work with the participant and primary care provider(s), family, caregiver(s), and other service providers, to assess care needs to keep the participant in their home and community.
- The goals of the MCWP are to: (1) provide home and community-based services for persons with HIV who may otherwise require institutional services; (2) assist participants with HIV health management; (3) improve access to social and behavioral health support and (4) coordinate service providers and eliminate duplication of services.
- Members who are enrolled in the MCWP Waiver can remain enrolled in the MCWP Waiver while also receiving benefits provided by our plan. Our plan works with your MCWP waiver agency to coordinate the services you receive.
- Your personal care coordinator can help you apply for the MCWP.

Please see below for the local MCWP care coordination agency that services Orange County:

- Radiant Health Centers (formerly AIDS Services Foundation)
Phone: 1-949-809-5700

Multipurpose Senior Services Program (MSSP)

- The Multipurpose Senior Services Program (MSSP) provides both social and health care management services to assist individuals remain in their own homes and communities.
- While most of the program participants also receive In-Home Supportive Services, MSSP provides on-going care coordination, links participants to other needed community services and resources, coordinates with health care providers, and purchases some needed services that aren't otherwise available to prevent or delay institutionalization. The total annual combined cost of care management and other services must be lower than the cost of receiving care in a skilled nursing facility.
- A team of health and social service professionals provides each MSSP participant with a complete health and psychosocial assessment to determine needed services. The team then works with the MSSP participant, their physician, family, and others to develop an individualized care plan. Services include:
 - care management
 - adult day care
 - minor home repair/maintenance
 - supplemental in-home chore, personal care, and protective supervision services
 - respite services
 - transportation services
 - counseling and therapeutic services
 - meal services
 - communication services
- Members who are enrolled in the MSSP Waiver can remain enrolled in the MSSP Waiver while also receiving benefits provided by our plan. Our plan works with your MSSP provider to coordinate the services you receive.
- Your personal care coordinator can help you apply for MSSP. For more information about MSSP or to apply for the program, please call CalOptima Health MSSP at **1-714-347-5780**.

G. Benefits not covered by our plan, Medicare, or Medi-Cal

This section tells you about benefits excluded by our plan. “Excluded” means that we don’t pay for these benefits. Medicare and Medi-Cal don’t pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases.

We don’t pay for excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under specific conditions listed. Even if you get the services at an emergency facility, the plan won’t pay for the services. If you think that our plan should pay for a service that isn’t covered, you can request an appeal. For information about appeals, refer to **Chapter 9** of this *Member Handbook*.

In addition to any exclusions or limitations described in the Benefits Chart, our plan doesn’t cover the following items and services:

- services considered not “reasonable and medically necessary,” according to Medicare and Medi-Cal, unless listed as covered services
- experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of this *Member Handbook* for more information on clinical research studies. Experimental treatment and items are those that aren’t generally accepted by the medical community.
- surgical treatment for morbid obesity, except when medically necessary and Medicare pays for it
- a private room in a hospital, except when medically necessary
- private duty nurses
- personal items in your room at a hospital or a nursing facility, such as a telephone or television

Chapter 5: Getting your outpatient drugs

Introduction

This chapter explains rules for getting your outpatient drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Medi-Cal. **Chapter 6** of this *Member Handbook* tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

We also cover the following drugs, although they're not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you're in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you're given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you're in Medicare hospice. For more information, please refer to **Chapter 5, Section D**, "If you're in a Medicare-certified hospice program."

Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section.

You must have a provider (doctor, dentist, or other prescriber) write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your PCP has referred you for care.

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists or any similar Medi-Cal lists.

You generally must use a network pharmacy to fill your prescription. (Refer to **Section A1** for more information). Or you can fill your prescription through the plan's mail-order service.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

Your prescribed drug must be on our plan's List of Covered Drugs. We call it the "*Drug List*" for short. (Refer to **Section B** of this chapter.)

- If it isn't on the *Drug List*, we may be able to cover it by giving you an exception.
- Refer to **Chapter 9** to learn about asking for an exception.
- Please also note that the request to cover your prescribed drug will be evaluated under both Medicare and Medi-Cal standards.

Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help identify medical references to support the requested use of the prescribed drug. Drugs covered by Medi-Cal Rx used to treat conditions not supported by the Food and Drug Administration (FDA) or reference books are called "off-label" indications. Drugs used for "off-label" indications are not medically accepted indications and thus not a covered benefit unless: the "off-label" use is described in peer-reviewed literature, and the drug is medically necessary. Medi-Cal Rx defines medically necessary to mean the drug is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain through the diagnosis or treatment of disease, illness, or injury.

Your drug may require approval from our plan based on certain criteria before we'll cover it. (Refer to **Section C** in this chapter).

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies. (Refer to **Section A8** for information about when we cover prescriptions filled at out-of-network pharmacies.)

To find a network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website or contact Customer Service.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy bills us for our share of the cost of your covered drug. You may need to pay the pharmacy a copay when you pick up your prescription.

Remember, you need your Medi-Cal card or Benefits Identification Card (BIC) to access Medi-Cal Rx covered drugs.

If you don't have your Member ID Card or BIC with you when you fill your prescription, ask the pharmacy to call us to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back for our share. **If you can't pay for the drug, contact Customer Service right away.** We'll do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of this *Member Handbook*.
- If you need help getting a prescription filled, contact Customer Service.

A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Customer Service.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Customer Service.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
 - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy isn't in our network or you have difficulty getting your drugs in a long-term care facility, contact Customer Service.
- Indian Health Care Provider (IHCP) Pharmacies. American Indian and Alaska Native Members have access to pharmacies at an Indian Health Care Provider (IHCP) to the extent they have an enrolled retail pharmacy. If you're not American Indian or Alaska Native, you may still receive services from a retail pharmacy at an IHCP if you are assigned to the clinic or for an emergency.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.)
- To find a specialized pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Customer Service.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition.

Our plan's mail-order service allows you to order up to a 100-day supply. A 100-day supply has the same copay as a one-month supply.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, please contact Customer Service at **1-877-412-2743 (TTY 711)**, 24 hours a day 7 days a week.

Usually, a mail-order prescription arrives within 7 to 10 days. However, sometimes your mail-order may be delayed. If the delivery is delayed, you may contact your Primary Care Provider for an emergency prescription and bring it to any network pharmacy nearby. The pharmacy staff may contact MedImpact (a company that CalOptima Health OneCare Complete works with) at 1-800-788-2949 to obtain emergency override due to delay in the mail order process.

Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

2. New prescriptions the pharmacy gets from your provider's office

After the pharmacy gets a prescription from a health care provider, it contacts you to find out if you want the medication filled immediately or at a later time.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allows you to stop or delay the order before you're billed and it's shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

3. Refills on mail-order prescriptions

For refills, contact your pharmacy 21 days before your current prescription will run out to make sure your next order is shipped to you in time.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping. To provide your communication preferences, contact Customer Service at **1-877-412-2743 (TTY 711)**, 24 hours a day 7 days a week.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's *Drug List*.

Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 100-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Customer Service for more information.

For certain kinds of drugs, you can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** to learn about mail-order services.

A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. In these cases, check with Customer Service first to find out if there's a network pharmacy nearby.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- You are unable to obtain a covered prescription drug in a timely manner within our service area because a network pharmacy is not available or not operational. (For example, a network pharmacy that provides 24-hour service is not available within a reasonable driving distance.)
- You are filling a prescription for a covered drug that is not regularly stocked at an accessible network pharmacy. (For example, a specialized drug.)
- You are traveling outside the service area (within the United States) and run out of your medication, if you lose your medication, or if you become ill and cannot access a network pharmacy.
- The prescription drug is for a medical emergency or urgent care, when network pharmacies are not available.
- You are filling a prescription during a declared federal disaster or public health emergency in which you are evacuated or otherwise displaced from your home and unable to access a network pharmacy.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost instead of a copay when you get your prescription. You can ask us to pay you back for our share of the cost. You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost we would cover at an in-network pharmacy.

If you pay the full cost for your prescription that may be covered by Medi-Cal Rx, you may be able to be reimbursed by the pharmacy once Medi-Cal Rx pays for the prescription. Alternatively, you may ask Medi-Cal Rx to pay you back by submitting the “Medi-Cal Out-of-Pocket Expense Reimbursement (Conlan)” claim. More information can be found on the Medi-Cal Rx website: medi-calrx.dhcs.ca.gov/home/.

To learn more about this, refer to **Chapter 7** of this *Member Handbook*.

B. Our plan's *Drug List*

We have a *List of Covered Drugs*. We call it the “*Drug List*” for short.

We select the drugs on the *Drug List* with the help of a team of doctors and pharmacists. The *Drug List* also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's *Drug List* when you follow the rules we explain in this chapter.

B1. Drugs on our *Drug List*

Our *Drug List* includes drugs covered under Medicare Part D.

Most of the drugs you get from a pharmacy are covered by your plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website (medi-calrx.dhcs.ca.gov) for more information. You can also call the Medi-Cal Rx Customer Service Center at 1-800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting your prescriptions through Medi-Cal Rx.

Our *Drug List* includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On our *Drug List*, when we refer to “drugs” this could mean a drug or a biological product.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

Generic drugs have the same active ingredients as brand name drugs. Biological products have alternatives called biosimilars. Generally, generic drugs and biosimilars work just as well as brand name drugs or original biological products and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Refer to **Chapter 12** for definitions of the types of drugs that may be on the *Drug List*.

B2. How to find a drug on our *Drug List*

To find out if a drug you take is on our *Drug List*, you can:

- Visit our plan's website at www.caloptima.org/OneCare. The *Drug List* on our website is always the most current one.
- Call Customer Service to find out if a drug is on our *Drug List* or to ask for a copy of the list.
- Drugs that are not covered by Part D may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website (medi-calrx.dhcs.ca.gov/) for more information
- Use our "Real Time Benefit Tool" at <https://www.medimpact.com/> to search for drugs on the *Drug List* to get an estimate of what you'll pay and if there are alternative drugs on the *Drug List* that could treat the same condition. You can also call Customer Service.

B3. Drugs not on our *Drug List*

We don't cover all drugs.

- Some drugs are not on our *Drug List* because the law doesn't allow us to cover those drugs.
- In other cases, we decided not to include a drug on our *Drug List*.
- In some cases, you may be able to get a drug that isn't on our *Drug List*. For more information refer to **Chapter 9**.

Our plan doesn't pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of this *Member Handbook* for more information about appeals.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Medicare Part D) can't pay for a drug that Medicare Part A or Medicare Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren't considered part of your outpatient drug benefits.
2. Our plan can't cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor or other provider may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called "off-label use." Our plan usually doesn't cover drugs prescribed for off-label use.

Also, by law, Medicare or Medi-Cal can't cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms*
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride* preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for the treatment of anorexia, weight loss or weight gain*
- Outpatient drugs made by a company that says you must have tests or services done only by them

*Select products may be covered by Medi-Cal. Please visit the Medi-Cal Rx website (www.medi-calrx.dhcs.ca.gov) for more information.

B4. Drug List cost-sharing tiers

Every drug on our *Drug List* is in one of two tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or OTC drugs). In general, the higher the cost-sharing tier, the higher your cost for the drug.

Tier 1 drugs are generic drugs. The copay is \$0.

Tier 2 drugs are brand name drugs. The copay is from \$0 to \$12.65, depending on your income.

To find out which cost-sharing tier your drug is in, look for the drug on our *Drug List*.

Chapter 6 of this *Member Handbook* tells the amount you pay for drugs in each tier.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

C. Limits on some drugs

For certain drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

Note that sometimes a drug may appear more than once in our *Drug List*. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your provider, and different restrictions may apply to the different versions of the drugs (for example, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid.)

If there's a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule shouldn't apply to your situation, ask us to use the coverage decision process to make an exception. We may or may not agree to let you use the drug without taking extra steps.

To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

1. Limiting use of a brand name drug or original biological products when respectively, a generic or interchangeable biosimilar version is available

Generally, a generic drug or interchangeable biosimilar works the same as a brand name drug or original biological product and usually costs less. In most cases, if there's a generic or interchangeable biosimilar version of a brand name drug or original biological product available, our network pharmacies give you the generic or interchangeable biosimilar version.

- We usually don't pay for the brand name drug or original biological product when there is an available generic version.
- However, if your provider told us the medical reason that the generic drug, interchangeable biosimilar, or other covered drugs that treat the same condition won't work for you, then we cover the brand name drug.
- Your copay may be greater for the brand name drug or original biological product than for the generic drug or interchangeable biosimilar.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

2. Getting plan approval in advance

For some drugs, you or your prescriber must get approval from our plan before you fill your prescription. This is called prior authorization. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get approval, we may not cover the drug. Call Customer Service at the number at the bottom of the page or on our website at www.caloptima.org/en/health-insurance-plans/onecare/pharmacy for more information about prior authorization.

3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first. If Drug A doesn't work for you, then we cover Drug B. This is called step therapy. Call Customer Service at the number at the bottom of the page or on our website at www.caloptima.org/en/health-insurance-plans/onecare/pharmacy for more information about step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, if it's normally considered safe to take only one pill per day for a certain drug, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our *Drug List*. For the most up-to-date information, call Customer Service or check our website at www.caloptima.org/en/health-insurance-plans/onecare/pharmacy. If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of the *Member Handbook*.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our *Drug List*. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.

There are things you can do if we don't cover a drug the way you want us to cover it.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug isn't on our *Drug List* or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:
 - is no longer on our *Drug List* **or**
 - was never on our *Drug List* **or**
 - is now limited in some way.
2. You must be in one of these situations:
 - You were in our plan last year.
 - We cover a temporary supply of your drug **during the first 90 days of the calendar year.**
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

- You're new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You've been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
 - We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.
- You are moving from one treatment setting to another (this is called a level of care change).
 - Examples of a level of care change include: entering a long-term care facility from an acute-care hospital; discharging from hospital to home; ending a Part A skilled nursing stay with reversion to Part D coverage; giving up hospice status to revert to standard Part A and Part B benefits; ending a long-term care facility stay and returning to the community; and discharging from a psychiatric hospital.
 - If you have a level of care change, we will cover a temporary supply of your drug. This temporary supply will be for up to 30 days. If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30-days of medication. The prescription must be filled at a network pharmacy.

D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Customer Service.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Customer Service to ask for a *List of Drugs* we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that isn't on our *Drug List* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

D3. Asking for an exception

To learn more about asking for an exception, refer to **Chapter 9** of this *Member Handbook*.

If you need help asking for an exception, contact Customer Service.

E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our *Drug List* during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior approval (PA) for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).
- Replace an original biological product with an interchangeable biosimilar version of the biological product.

We must follow Medicare requirements before we change our plan's *Drug List*. For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally won't remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on our *Drug List* now, **or**
- we learn that a drug isn't safe, **or**
- a drug is removed from the market.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

What happens if coverage changes for a drug you're taking?

To get more information on what happens when our *Drug List* changes, you can always:

- Check our current *Drug List* online at <https://www.caloptima.org/en/health-insurance-plans/onecare/pharmacy>, or
- Call Customer Service at the number at the bottom of the page to check our current *Drug List*.

Changes we may make to the *Drug List* that affect you during the current plan year

Some changes to the *Drug List* will happen immediately. For example:

- A new generic drug becomes available. Sometimes, a new generic drug or biosimilar comes on the market that works as well as a brand name drug or original biological product on the *Drug List* now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same or will be lower. When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
 - You or your provider can ask for an "exception" from these changes. We'll send you a notice with the steps you can take to ask for an exception. Please refer to **Chapter 9** of this handbook for more information on exceptions.

Removing unsafe drugs and other drugs that are off the market. Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off our *Drug List*. If you're taking the drug, we'll send you a notice after we make the change. You can work with your doctor or other prescriber to find a different drug that we cover for your condition. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our *Drug List* or
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there's a similar drug on our *Drug List* you can take instead **or**
- If you should ask for an exception from these changes to continue covering the drug or the version of the drug you've been taking. To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

Changes to the *Drug List* that don't affect you during this plan year

We may make changes to drugs you take that aren't described above and don't affect you now. For such changes, if you're taking a drug we covered at the **beginning** of the year, we generally don't remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you're taking or limit its use, then the change doesn't affect your use of the drug or what you pay for the drug for the rest of the year.

If any of these changes happen for a drug you're taking (except for the changes noted in the section above), the change won't affect your use until January 1 of the next year.

We won't tell you above these types of changes directly during the current year. You'll need to check the *Drug List* for the next plan year (when the list is available during the open enrollment period) to see if there are any changes that will impact you during the next plan year.

F. Drug coverage in special cases

F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you're admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your drugs during your stay. You won't pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

To learn more about drug coverage and what you pay, refer to **Chapter 6** of this *Member Handbook*.

F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your drugs through the facility's pharmacy if it's part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it isn't or if you need more information, contact Customer Service.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require certain drugs (e.g., pain, anti-nausea drugs, laxative, or anti-anxiety drugs) that your hospice doesn't cover because it isn't related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of this *Member Handbook* for more information about the hospice benefit.

G. Programs on drug safety and managing drugs

G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- may not be needed because you take another similar drug that does the same thing
- may not be safe for your age or gender
- could harm you if you take them at the same time
- have ingredients that you are or may be allergic to
- may be an error in the amount (dosage)
- have unsafe amounts of opioid pain medications

If we find a possible problem in your use of drugs, we work with your provider to correct the problem.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

G2. Programs to help you manage your drugs

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- how to get the most benefit from the drugs you take
- any concerns you have, like medication costs and drug reactions
- how best to take your medications
- any questions or problems you have about your prescription and over-the-counter medication

Then, they'll give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you don't want to be in the program, let us know, and we'll take you out of it.

If you have questions about these programs, contact Customer Service.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

G3. Drug management program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescribers or pharmacies or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may include:

- Requiring you to get all prescriptions for those medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we'll limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

You'll have a chance to tell us which prescribers or pharmacies you prefer to use and any information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter that confirms the limitations.

If you think we made a mistake, you disagree with our decision or the limitation, you and your prescriber can make an appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your appeal related to limitations that apply to your access to medications, we'll automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of this *Member Handbook*.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

Chapter 6: What you pay for your Medicare and Medi-Cal drugs

Introduction

This chapter tells what you pay for your outpatient drugs. By “drugs,” we mean:

- Medicare Part D drugs, **and**
- Drugs and items covered under Medi-Cal Rx, **and**
- Drugs and items covered by our plan as additional benefits.

Because you’re eligible for Medi-Cal, you get Extra Help from Medicare to help pay for your Medicare Part D drugs. We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Customer Service and ask for the “LIS Rider.”

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

To learn more about drugs, you can look in these places:

- Our *List of Covered Drugs*.
 - We call this the “*Drug List*.” It tells you:
 - Which drugs we pay for
 - Which of the two tiers each drug is in
 - If there are any limits on the drugs
 - If you need a copy of our *Drug List*, call Customer Service. You can also find the most current copy of our *Drug List* on our website at www.caloptima.org/en/health-insurance-plans/onecare/pharmacy.

Chapter 6: What you pay for your Medicare and Medi-Cal drugs

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your drug costs and the payments you make when you get prescriptions at the pharmacy. We track two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It includes what our plan paid, and what other programs or organizations paid for your covered Part D drugs.

When you get drugs through our plan, we send you a summary called the *Explanation of Benefits* (EOB). We call it the EOB for short. The EOB isn't a bill. The EOB has more information about the drugs you take such as increases in price and other drugs with lower cost sharing that may be available. You can talk to your prescriber about these lower cost options. The EOB includes:

- **Information for the month**. The summary tells what drugs you got for the previous month. It shows the total drug costs, what we paid, and what you and others paid for you.
- **Totals for the year since January 1**. This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information**. This is the total price of the drug and changes in the drug price since the first fill for each prescription claim of the same quantity.
- **Lower cost alternatives**. When applicable, information about other available drugs with lower cost sharing for each prescription.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs don't count towards your total out-of-pocket costs.
- Most of the drugs you get from a pharmacy are covered by the plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit Medi-Cal Rx website (www.medi-calrx.dhcs.ca.gov/) for more information. You can also call the Medi-Cal customer service center at 1-800-977-2273. B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

You can ask us to pay you back for our share of the cost of the drug. Obtain receipts, proof of payment, and submit the reimbursement request with all supporting documents to CalOptima Health OneCare Complete. Here are examples of when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or use a discount card that isn't part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug under special circumstances

For more information about asking us to pay you back for our share of the cost of a drug, refer to **Chapter 7** of this *Member Handbook*.

3. Send us information about payments others make for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by a State Pharmaceutical Assistance Program, an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs. This can help you qualify for catastrophic coverage. When you reach the Catastrophic Coverage Stage, our plan pays all of the costs of your Medicare Part D drugs for the rest of the year.

4. Check the EOBs we send you.

When you get an EOB in the mail, make sure it's complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts? Do the drugs match what your doctor prescribed?

What if you find mistakes on this summary?

If something is confusing or doesn't seem right on this EOB, please call us at CalOptima Health OneCare Complete Customer Service. You can also find answers to many questions on our website: www.caloptima.org/OneCare.

What about possible fraud?

If this summary shows drugs you're not taking or anything else that seems suspicious to you, please contact us.

- Call us at CalOptima Health OneCare Complete Customer Service.
- Or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free.
- If you suspect that a provider who gets Medi-Cal has committed fraud, waste, or abuse, it's your right to report it by calling the confidential toll-free number 1-800-822-6222. Other methods of reporting Medi-Cal fraud may be found at: www.dhcs.ca.gov/individuals/Pages/StopMedi-CalFraud.aspx.

If you think something is wrong or missing, or if you have any questions, call Customer Service. You can also find answers to many questions on our website: www.caloptima.org/OneCare. Keep these EOBs. They're an important record of your drug expenses.

Chapter 6: What you pay for your Medicare and Medi-Cal drugs

C. Drug Payment Stages for Medicare Part D drug

There are two payment stages for your Medicare Part D drug coverage under our plan. How much you pay for each prescription depends on which stage you're in when you get a prescription filled or refilled. These are the two stages:

Stage 1: Initial Coverage Stage	Stage 2: Catastrophic Coverage Stage
During this stage, we pay part of the costs of your drugs, and you pay your share. Your share is called the copay. You begin in this stage when you fill your first prescription of the year.	During this stage, we pay all of the costs of your drugs through December 31, 2026. You begin this stage when you've paid a certain amount of out-of-pocket costs.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

D. Stage 1: The Initial Coverage Stage

During the Initial Coverage Stage, we pay a share of the cost of your covered drugs, and you pay your share. Your share is called the copay. The copay depends on the cost-sharing tier the drug is in and where you get it.

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our plan's *Drug List* is in one of two cost-sharing tiers. In general, the higher the tier number, the higher the copay. To find the cost-sharing tiers for your drugs, refer to our *Drug List*.

- Tier 1 drugs are generic drugs. The copay is \$0.
- Tier 2 drugs are brand name drugs. The copay is from \$0 to \$12.65, depending on your income.

D1. Your pharmacy choices

How much you pay for a drug depends on if you get the drug from:

- A network retail pharmacy **or**
- An out-of-network pharmacy. In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of this *Member Handbook* to find out when we do that.
- Our plan's mail-order pharmacy.

To learn more about these choices, refer to **Chapter 5** of this *Member Handbook* and to our *Provider and Pharmacy Directory*.

D2. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is up to a 100-day supply. It costs you the same as a one-month supply.

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of this *Member Handbook* or our plan's *Provider and Pharmacy Directory*.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

During the Initial Coverage Stage, you may pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

Contact Customer Service to find out how much your copay is for any covered drug.

Your share of the cost when you get a one-month or long-term supply of a covered drug from:

	A network pharmacy A one-month or up to a 30-day supply	Our plan's mail-order service A three-months or up to a 100-day supply	A network long-term care pharmacy Up to a 31-day supply	An out-of-network pharmacy Up to a 30-day supply. Coverage is limited to certain cases. Refer to Chapter 5 of your <i>Member Handbook</i> for details.
Cost-sharing Tier 1 (generic drugs)	\$0	\$0	\$0	\$0
Cost-sharing Tier 2 (brand name drugs)	\$0, \$4.90, or \$12.65 depending on the level of "Extra Help" you receive.	\$0, \$4.90, or \$12.65 depending on the level of "Extra Help" you receive.	\$0, \$4.90, or \$12.65 depending on the level of "Extra Help" you receive.	\$0, \$4.90, or \$12.65 depending on the level of "Extra Help" you receive.

Chapter 6: What you pay for your Medicare and Medi-Cal drugs

D4. End of the Initial Coverage Stage

The Initial Coverage Stage ends when your total out-of-pocket costs reach \$2,100. At that point, the Catastrophic Coverage Stage begins. We cover all your drug costs from then until the end of the year.

We offer additional drugs that aren't normally covered in a Medicare Drug Plan. Payments made for these drugs don't count toward your out-of-pocket costs.

Your EOB helps you keep track of how much you've paid for your drugs during the year. We let you know if you reach the \$2,100 limit. Many people don't reach it in a year.

E. Stage 2: The Catastrophic Coverage Stage

When you reach the out-of-pocket limit of \$2,100 for your drugs, the Catastrophic Coverage Stage begins. You stay in the Catastrophic Coverage Stage until the end of the calendar year. During this stage, you pay nothing for your Part D covered drugs. For excluded drugs under our enhanced benefit you pay \$0.

F. Your drug costs if your doctor prescribes less than a full month's supply

Usually, you pay a copay to cover a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs.

- There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you're trying a drug for the first time).
- If your doctor agrees, you don't pay for the full month's supply for certain drugs.

When you get less than a month's supply of a drug, the amount you pay is based on the number of days of the drug that you get. We calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you get.

- Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7 days' supply of the drug, your payment is less than \$0.05 per day multiplied by 7 days, for a total payment less than \$0.35.
 - Daily cost-sharing allows you to make sure a drug works for you before you pay for an entire month's supply.
-

G. What you pay for Part D vaccines

Important message about what you pay for vaccines: Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in our *Drug List*. Our plan covers most adult Medicare Part D vaccines at no cost to you. Refer to your plan's *Drug List* or contact Customer Service for coverage and cost sharing details about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccines:

1. The first part is for the cost of **the vaccine itself**.
2. The second part is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

G1. What you need to know before you get a vaccine

We recommend that you call Customer Service if you plan to get a vaccine.

- We can tell you about how our plan covers your vaccine and explain your share of the cost.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies and providers agree to work with our plan. A network provider works with us to ensure that you have no upfront costs for a Medicare Part D vaccine.

G2. What you pay for a vaccine covered by Medicare Part D

What you pay for a vaccine depends on the type of vaccine (what you're being vaccinated for).

- Some vaccines are considered health benefits rather than drugs. These vaccines are covered at no cost to you. To learn about coverage of these vaccines, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

Chapter 6: What you pay for your Medicare and Medi-Cal drugs

- Other vaccines are considered Medicare Part D drugs. You can find these vaccines on our plan's *Drug List*. You may have to pay a copay for Medicare Part D vaccines. If the vaccine is recommended for adults by an organization called the **Advisory Committee on Immunization Practices (ACIP)** then the vaccine will cost you nothing.

Here are three common ways you might get a Medicare Part D vaccine:

1. You get the Medicare Part D vaccine and your shot at a network pharmacy.
 - For most adult Part D vaccines, you'll pay nothing.
 - For other Part D vaccines, you pay a copay for the vaccine.
2. You get the Medicare Part D vaccine at your doctor's office, and your doctor gives you the shot.
 - You pay a copay to the doctor for the vaccine.
 - Our plan pays for the cost of giving you the shot.
 - The doctor's office should call our plan in this situation so we can make sure they know you only have to pay a copay for the vaccine.
3. You get the Medicare Part D vaccine medication at a pharmacy, and you take it to your doctor's office to get the shot.
 - For most adult Part D vaccines, you'll pay nothing for the vaccine itself.
 - For other Part D vaccines, you pay a copay for the vaccine.
 - Our plan pays for the cost of giving you the shot.

Chapter 7: Asking us to pay our share of a bill you received for covered services or drugs

A. Asking us to pay for your services or drugs

Our network providers must bill the plan for your covered services and drugs after you get them. A network provider is a provider who works with the health plan.

We don't allow CalOptima Health OneCare Complete providers to bill you for these services or drugs. We pay our providers directly, and we protect you from any charges.

If you get a bill for the full cost of health care or drugs, don't pay the bill and send the bill to us. To send us a bill, refer to **Chapter 7, Section B**.

- If we cover the services or drugs, we'll pay the provider directly.
- If we cover the services or drugs and you already paid more than your share of the cost, it's your right to be paid back.
 - If you paid for services covered by Medicare, we'll pay you back.
- If you paid for Medi-Cal services you already received, you may qualify to be reimbursed (paid back) if you meet all of the following conditions:
 - The service you received is a Medi-Cal covered service that we're responsible for paying. We won't reimburse you for a service that isn't covered by CalOptima Health OneCare Complete.
 - You received the covered service after you became an eligible CalOptima Health OneCare Complete member.
 - You ask to be paid back within one year from the date you received the covered service.
 - You provide proof that you paid for the covered service, such as a detailed receipt from the provider.
 - You received the covered service from a Medi-Cal enrolled provider in CalOptima Health OneCare Complete's network. You don't need to meet this condition if you received emergency care, family planning services, or another service that Medi-Cal allows out-of-network providers to perform without pre-approval (prior authorization).
- If the covered service normally requires pre-approval (prior authorization), you need to provide proof from the provider that shows a medical need for the covered service.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

Chapter 7: Asking us to pay our share of a bill you received for covered services or drugs

- CalOptima Health OneCare Complete will tell you if they'll reimburse you in a letter called a Notice of Action. If you meet all of the above conditions, the Medi-Cal-enrolled provider should pay you back for the full amount you paid. If the provider refuses to pay you back, CalOptima Health OneCare Complete will pay you back for the full amount you paid. We'll reimburse you within 45 working days of receipt of the claim. If the provider is enrolled in Medi-Cal, but isn't in our network and refuses to pay you back, CalOptima Health OneCare Complete will pay you back, but only up to the amount that FFS Medi-Cal would pay. CalOptima Health OneCare Complete will pay you back for the full out-of-pocket amount for emergency services, family planning services, or another service that Medi-Cal allows to be provided by out-of-network providers without pre-approval. If you don't meet one of the above conditions, we won't pay you back.
- We won't pay you back if:
 - You asked for and received services that aren't covered by Medi-Cal, such as cosmetic services.
 - The service isn't a covered service for CalOptima Health OneCare Complete.
 - You went to a doctor who doesn't take Medi-Cal and you signed a form that said you want to be seen anyway and you'll pay for the services yourself.
- If we don't cover the services or drugs, we'll tell you.

Contact Customer Service if you have any questions. If you don't know what you should've paid, or if you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Examples of times when you may need to ask us to pay you back or to pay a bill you got include:

1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back for our share of the cost. Send us the bill and proof of any payment you made.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

Chapter 7: Asking us to pay our share of a bill you received for covered services or drugs

- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we'll pay the provider directly.
 - If you already paid more than your share of the cost for the Medicare service, we'll figure out how much you owed and pay you back for our share of the cost.

2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you receive any services or prescriptions; however, sometimes network providers make mistakes, and ask you to pay for your services or more than your share of the costs. **Call Customer Service** at the number at the bottom of this page **if you get any bills**.

- As a plan member, you only pay the copay when you get services we cover. We don't allow providers to bill you more than this amount. This is true even if we pay the provider less than the provider charged for a service. Even if we decide not to pay for some charges, you still don't pay them.
- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We'll contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, but feel you paid too much, send us the bill and proof of any payment you made. We'll pay you back for the difference between the amount you paid and the amount you owed under our plan.

3. If you're retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

4. When you use an out-of-network pharmacy to fill a prescription

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we'll cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back for our share of the cost.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

Chapter 7: Asking us to pay our share of a bill you received for covered services or drugs

- Refer to **Chapter 5** of this *Member Handbook* to learn more about out-of-network pharmacies.
- We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the full Medicare Part D prescription cost because you don't have your Member ID Card with you

If you don't have your Member ID Card with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full Medicare Part D prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs (Drug List)* on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.
 - If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of this *Member Handbook*).
 - If you and your doctor or other prescriber think you need the drug right away, (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of this *Member Handbook*).
- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for our share of the cost of the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

Chapter 7: Asking us to pay our share of a bill you received for covered services or drugs

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide the service or drug should be covered, we pay for our share of the cost of it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of this *Member Handbook*.

B. Sending us a request for payment

Send us your bill and proof of any payment you made for Medicare services or call us. Proof of payment can be a copy of the check you wrote or a receipt from the provider.

It's a good idea to make a copy of your bill and receipts for your records. You can ask your personal care coordinator for help.

To make sure you give us all the information we need to decide, you can fill out our claim form to ask for payment.

- You aren't required to use the form, but it helps us process the information faster.
- You can get the form on our website (www.caloptima.org/OneCare), or you can call Customer Service and ask for the form.

Mail your request for payment together with any bills or receipts to this address:

For pharmacy claims, mail your request for payment together with any bills or receipts to us at this address:

You must submit your claim to us within three (3) years of the date you got the service, item, or drug.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

C. Coverage decisions

When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug. We also decide the amount of money, if any, you must pay.

- We'll let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we'll pay our share of the cost for it. If you already paid for the service or drug, we'll mail you a check for our share of the cost. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid is higher than our negotiated price). If you haven't paid, we'll pay the provider directly.

Chapter 3 of this *Member Handbook* explains the rules for getting your services covered. **Chapter 5** of this *Member Handbook* explains the rules for getting your Medicare Part D drugs covered.

- If we decide not to pay for our share of the cost of the service or drug, we'll send you a letter with the reasons. The letter also explains your rights to make an appeal.
 - To learn more about coverage decisions, refer to **Chapter 9, Section E**.
-

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called "making an appeal." You can also make an appeal if you don't agree with the amount we pay.

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of this *Member Handbook*:

- To make an appeal about getting paid back for a health care service, refer to **Section F**.
 - To make an appeal about getting paid back for a drug, refer to **Section G**.

 - This includes the right to get timely services from specialists.
 - If you can't get services within a reasonable amount of time, we must pay for out-of-network care.
- You have the right to get emergency services or care that's urgently needed without prior approval (PA).
- You have the right to get your prescriptions filled at any of our network pharmacies without long delays.

C. Our responsibility to protect your personal health information (PHI)

We protect your PHI as required by federal and state laws.

Your PHI includes the personal information you gave us when you enrolled in our plan. It also includes your medical records and other medical and health information.

You have rights when it comes to your information and controlling how your PHI is used. We provide you with a written notice that advises you about these rights and explains how we protect the privacy of your PHI. The notice is called the "Notice of Privacy Practice."

Members who may consent to receive sensitive services aren't required to get any other member's authorization to receive sensitive services or to submit a claim for sensitive services. CalOptima Health OneCare Complete will direct communications regarding sensitive services to a member's alternate designated mailing address, email address, or telephone number or, in the absence of a designation, in the name of the member at the address or telephone number on file. CalOptima Health OneCare Complete won't disclose medical information related to sensitive services to any other member without written authorization from the member receiving care. CalOptima Health OneCare Complete will accommodate requests for confidential communication in the form and format requested, if it's readily producible in the requested form and format, or at alternative locations. A member's request for confidential communications related to sensitive services will be valid until the member revokes the request or submits a new request for confidential communications.

Request confidential communications

You can ask us to contact you by your preferred method of contact (for example, home or work phone) or to send mail to a different address.

We will consider all fair requests. We must say “yes” if you tell us you would be in danger if we do not.

We protect your personal health information (PHI) as required by federal and state laws.

C1. How we protect your PHI

We make sure that no unauthorized people look at or change your records.

Except for the cases noted below, we don’t give your PHI to anyone not providing your care or paying for your care. If we do, we must get written permission from you first. You, or someone legally authorized to make decisions for you, can give written permission.

Sometimes we don’t need to get your written permission first. These exceptions are allowed or required by law:

- We must release PHI to government agencies checking on our plan’s quality of care.
- We may release PHI if ordered by a court, but only if it’s allowed by California law.
- We must give Medicare your PHI including information about your Medicare Part D drugs. If Medicare releases your PHI for research or other uses, they do it according to federal laws. In most cases, if we use or share your PHI outside of treatment, payment or operations, we must get your written permission first. If you have a preference for how we share your information, please contact us. Please refer to the Notice of Privacy Practices for more information.

C2. Your right to look at your medical records

- You have the right to look at your medical records and to get a copy of your records.
- You have the right to ask us to update or correct your medical records. If you ask us to do this, we work with your health care provider to decide if changes should be made.
- You have the right to know if and how we share your PHI with others for any purposes that aren’t routine.

If you have questions or concerns about the privacy of your PHI, call Customer Service.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

E. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network can't make you pay for covered services. They also can't balance bill or charge you if we pay less than the amount the provider charged. To learn what to do if a network provider tries to charge you for covered services, refer to **Chapter 7** of this *Member Handbook*.

F. Your right to leave our plan

No one can make you stay in our plan if you don't want to.

- You have the right to get most of your health care services through Original Medicare or another Medicare Advantage (MA) plan.

G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options.
 - **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
 - **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
-

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we'll not drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- **Ask us to cover a service or drug that we denied or usually don't cover.** This is called a coverage decision. **Chapter 9** of this *Member Handbook* tells how to ask us for a coverage decision.

G2. Your right to say what you want to happen if you can't make health care decisions for yourself

Sometimes people can't make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you **don't** want.

The legal document you use to give your directions is called an "advance directive." There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You aren't required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

- **Get the form.** You can get the form from your doctor, a lawyer, a social worker, or some office supply stores. Pharmacies and provider offices often have the forms. You can find a free form online and download it. You can also contact Customer Service to ask for the form.
- **Fill out the form and sign it.** The form is a legal document. Consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies of the form to people who need to know.** Give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

- If you're being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**
 - The hospital will ask if you have a signed advance directive form and if you have it with you.
 - If you don't have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.
- Learn about changes to advance directive laws. CalOptima Health OneCare Complete will tell you about changes to the state law no later than 90 days after the change.

By law, no one can deny you care or discriminate against you based on whether you signed an advance directive. Call Customer Service for more information.

G3. What to do if your instructions aren't followed

If you signed an advance directive and you think a doctor or hospital didn't follow the instructions in it, you can make a complaint with the Ombudsman Office of the California Department of Health Care Services at 1-888-452-8609.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

H. Your right to make complaints and ask us to reconsider our decisions

Chapter 9 of this *Member Handbook* tells you what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Customer Service to get this information.

H1. What to do about unfair treatment or to get more information about your rights

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan said it won't pay for.
- You disagree with a decision your plan made about your care.
- You think your covered services are ending too soon.
- You have a problem or complaint with your long-term services and supports, which include Community-Based Adult Services (CBAS) and Nursing Facility (NF) services.

This chapter is in different sections to help you easily find what you're looking for. **If you have a problem or concern, read the parts of this chapter that apply to your situation.**

You should get the health care, drugs, and long-term services and supports that your doctor and other providers determine are necessary for your care as a part of your care plan. **If you have a problem with your care, you can call the Medicare Medi-Cal Ombudsman Program at 1-855-501-3077 for help.** This chapter explains different options you have for different problems and complaints, but you can always call the Ombudsman Program to help guide you through your problem. For additional resources to address your concerns and ways to contact them, refer to **Chapter 2** of your *Member Handbook*.

Chapter 9: What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)

A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints** (also called grievances).

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination”, “benefit determination”, “at-risk determination”, or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to get help

B1. For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from the Health Insurance Counseling and Advocacy Program

You can call the Health Insurance Counseling and Advocacy Program (HICAP). HICAP counselors can answer your questions and help you understand what to do about your problem. HICAP isn’t connected with us or with any insurance company or health plan. HICAP has trained counselors in every county, and services are free. The HICAP phone number is 1-800-434-0222.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

Chapter 9: What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)

Help from the Medicare Medi-Cal Ombudsman Program

You can call the Medicare Medi-Cal Ombudsman Program and speak with an advocate about your health coverage questions. They may be able to offer free legal help. The Ombudsman Program isn't connected with us or with any insurance company or health plan. Their phone number is 1-855-501-3077, and their website is www.healthconsumer.org.

Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.
- Visit the Medicare website (www.medicare.gov).

Help from the California Department of Health Care Services

The California Department of Health Care Services (DHCS) Medi-Cal Managed Care Ombudsman can help. They can help if you have problems joining, changing, or leaving a health plan. They can also help if you moved and are having trouble getting your Medi-Cal transferred to your new county. You can call the Ombudsman Monday through Friday, between 8:00 a.m. and 5:00 p.m. at 1-888-452-8609.

C. Understanding Medicare and Medi-Cal complaints and appeals in our plan

You have Medicare and Medi-Cal. Information in this chapter applies to all your Medicare and Medi-Cal managed care benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Medi-Cal processes.

Sometimes Medicare and Medi-Cal processes can't be combined. In those situations, you use one process for a Medicare benefit and another process for a Medi-Cal benefit.

Section F4 explains these situations.

D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

Chapter 9: What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)

Is your problem or concern about your benefits or coverage?

This includes problems about whether particular medical care (medical items, services and/or Part B drugs) are covered or not, the way they're covered, and problems about payment for medical care.

Yes.	No.
My problem is about benefits or coverage. Refer to Section E , "Coverage decisions and appeals."	My problem isn't about benefits or coverage. Refer to Section K , "How to make a complaint."

E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage for your medical care (services, items and Part B drugs, including payment). To keep things simple, we generally refer to medical items, services, and Part B drugs as medical care.

E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we'll cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision when we review a request for service or a claim. In some cases, we may decide a service or drug isn't covered or is no longer covered for you by Medicare or Medi-Cal. If you disagree with this coverage decision, you can make an appeal.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

Chapter 9: What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)

E2. Appeals

If we make a coverage decision and you aren't satisfied with this decision, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter in **Section F2**, you can ask for an expedited or "fast coverage decision" or "fast appeal" of a coverage decision.

If we say **No** to part or all of what you asked for, we'll send you a letter. If your problem is about coverage of a Medicare medical care, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals.

If you aren't satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

E3. Help with coverage decisions and appeals

- **Your doctor or other provider.** Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- **A friend or family member.** You can name another person to act for you as your "representative" and ask for a coverage decision or make an appeal.

E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, "Medical care"
- **Section G**, "Medicare Part D drugs"
- **Section H**, "Asking us to cover a longer hospital stay"
- **Section I**, "Asking us to continue covering certain medical services" (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)

F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care. For information about requesting a longer hospital stay, please refer to **Section H**.

This section is about your benefits for medical care that's described in **Chapter 4** of this *Member Handbook* in the benefits chart. In some cases, different rules may apply to a Medicare Part B drug. When they do, we explain how rules for Medicare Part B drugs differ from rules for medical services and items.

F1. Using this section

This section explains what you can do in any of the following situations:

1. You think we cover medical care you need but aren't getting.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn't approve the medical care your doctor or other health care provider wants to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we won't pay.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Section H** or **Section I** to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **integrated organization determination**.

You, your doctor, or your representative can ask us for a coverage decision by:

- calling: **1-877-412-2734**, TTY: **711**
- faxing: **1-714-246-8711**
- writing: CalOptima Health OneCare Complete
505 City Parkway West,
Orange, CA 92868

Standard coverage decision

When we give you our decision, we use the "standard" deadlines unless we agree to use the "fast" deadlines. A standard coverage decision means we give you an answer within:

- **7 calendar days** after we get your request **for a medical service or item that's subject to our prior authorization rules**.
- **14 calendar days** after we get your request **for all other medical services or items**.
- **72 hours** after we get your request for a **Medicare Part B drug**.

Fast coverage decision

The legal term for fast coverage decision is **expedited determination**.

When you ask us to make a coverage decision about your medical care that requires a quick response, ask us to make a "fast coverage decision." A fast coverage decision means we'll give you an answer about a:

- **72 hours** after we get your request **for a medical service or item**.
- **24 hours** after we get your request **for a Medicare Part B drug**.

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

To get a fast coverage decision, you must meet two requirements:

- You're asking for coverage for medical items and/or services that you **didn't get**. You can't ask for a fast coverage decision about payment for items or services you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast coverage decision.

- If we decide that your health doesn't meet the requirements for a fast coverage decision, we send you a letter that says so, and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast coverage decision if your doctor asks for it.
 - How you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we say No to part or all of your request, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you'll go on to Level 1 of the appeals process (refer to **Section F3**).

In limited circumstances, we may dismiss your request for a coverage decision, which means we won't review the request. Examples of when a request will be dismissed include:

- if the request is incomplete,
- if someone makes the request on your behalf but isn't legally authorized to do so, **or**
- if you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we'll send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

To start an appeal, you, your doctor, or your authorized representative must contact us. Call us at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week.

Ask for a standard appeal or a fast appeal in writing or by calling us at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week.

- If your doctor or other prescriber asks to continue a service or item you're already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at <https://www.caloptima.org/en/health-insurance-plans/onecare#DocumentsandForms>.
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal:
 - We dismiss your request, and
 - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal within 65 calendar days from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

The legal term for “fast appeal” is “**expedited reconsideration.**”

- If you appeal a decision we made about coverage for care, you and/or your doctor can request a fast appeal.

We automatically give you a fast appeal if your doctor tells us your health requires it. If you ask without your doctor’s support, we decide if you get a fast appeal.

- If we decide that your health doesn’t meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast appeal if your doctor asks for it.
 - How you can file a “fast complaint” about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we tell you we’re stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
 - If you meet this deadline, you’ll get the service or item with no changes while your Level 1 appeal is pending.
 - You’ll also get all other services or items (that aren’t the subject of your appeal) with no changes.
 - If you don’t appeal before these dates, then your service or item won’t be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

There are deadlines for a fast appeal.

Chapter 9: What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)

When your problem is about a service or item Medi-Cal usually covers

(1) State Hearing

You can ask for a State Hearing for Medi-Cal covered services and items. If your doctor or other provider asks for a service or item that we won't approve, or we won't continue to pay for a service or item you already have and we said no to your Level 1 appeal, you have the right to ask for a State Hearing.

In most cases **you have 120 days to ask for a State Hearing** after the "Appeal Decision Letter" notice is mailed to you.

NOTE: If you ask for a State Hearing because we told you that a service you currently get will be changed or stopped, **you have fewer days to submit your request** if you want to keep getting that service while your State Hearing is pending. Read "Will my benefits continue during Level 2 appeals" on page 242 for more information.

There are two ways to ask for a State Hearing:

1. You may complete the "Request for State Hearing" on the back of the notice of action. You should provide all requested information such as your full name, address, telephone number, the name of the plan or county that took the action against you, the aid program(s) involved, and a detailed reason why you want a hearing. Then you may submit your request one of these ways:
 - To the county welfare department at the address shown on the notice.
 - To the California Department of Social Services:
State Hearings Division
P.O. Box 944243, Mail Station 9-17-433
Sacramento, California 94244-2430
 - To the State Hearings Division at fax number 1-916-309-3487 or toll-free at 1-833-281-0903.
2. You can call the California Department of Social Services at 1-800-743-8525. TTY users should call 1-800-952-8349. If you decide to ask for a State Hearing by phone, you should be aware that the phone lines are very busy.

The State Hearings Division gives you their decision in writing and explain the reasons.

- If the State Hearings Division says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information**, visit www.caloptima.org/OneCare.

Chapter 9: What to do if you have a problem or complaint

- If the State Hearings Division says **No** to part or all of your appeal, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."

If the IRO or State Hearing decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the State Hearings Division describes the next appeal option. Refer to **Section J** for more information about your appeal rights after Level 2.

F5. Payment problems

We don't allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You're never required to pay the balance of any bill.

If you get a bill for covered services and items, send the bill to us. Don't pay the bill yourself. We'll contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from our plan if you followed the rules for getting services or item.

For more information, refer to **Chapter 7** of this *Member Handbook*. It describes situations when you may need to ask us to pay you back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

If you ask to be paid back, you're asking for a coverage decision. We'll check if the service or item you paid for is covered and if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we'll send you or your provider the payment for the service or item typically within 30 calendar days, but no later than 60 calendar days after we get your request. If the payment is made to your provider, your provider will then send the payment to you.

- If you haven't paid for the service or item yet, we'll send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item isn't covered or you didn't follow all the rules, we'll send you a letter telling you we won't pay for the service or item and explaining why.

If you don't agree with our decision not to pay, **you can make an appeal**. Follow the appeals process described in **Section F3**. When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we'll send your case to the IRO. We'll send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we shouldn't approve your request. This is called "upholding the decision" or "turning down your appeal." You'll get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and Medi-Cal usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4** for more information.

G. Medicare Part D drugs

Your benefits as a member of our plan include coverage for many drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Medi-Cal may cover. **This section only applies to Medicare Part D drug appeals.** We'll say "drug" in the rest of this section instead of saying "Medicare Part D drug" every time. For drugs covered only by Medi-Cal follow the process in **Section J2**, or you can visit the Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov/](https://www.medi-calrx.dhcs.ca.gov/)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 1-800-977-2273.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of this *Member Handbook* for more information about a medically accepted indication.

G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

- You ask us to make an exception, including asking us to:
 - Cover a Medicare Part D drug that isn't on our plan's Drug List or
 - Set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan's Drug List but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can't be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Medicare Part D drugs is called a **"coverage determination."**

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

Which of these situations are you in?			
You need a drug that isn't on our <i>Drug List</i> or need us to set aside a rule or restriction on a drug we cover.	You want us to cover a drug on our <i>Drug List</i> , and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.	You want to ask us to pay you back for a drug you already got and paid for.	We told you that we won't cover or pay for a drug in the way that you want.
You can ask us to make an exception. (This is a type of coverage decision.)	You can ask us for a coverage decision.	You can ask us to pay you back. (This is a type of coverage decision.)	You can make an appeal. (This means you ask us to reconsider.)
Start with Section G2 , then refer to Sections G3 and G4 .	Refer to Section G4 .	Refer to Section G4 .	Refer to Section G5 .

G2. Medicare Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an "exception." If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our Drug List or for removal of a restriction on a drug is sometimes called asking for a **"formulary exception."**

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. Covering a drug that isn't on our *Drug List*

- If we agree to make an exception and cover a drug that's not on our *Drug List*, you pay the copay that applies to drugs in tier 2 for brand name drugs.
- You can't get an exception to the required copay amount for the drug.

2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our *Drug List* (refer to **Chapter 5** of this *Member Handbook* for more information).
- Extra rules and restrictions for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting our approval in advance before we agree to cover the drug for you. This is sometimes called "prior authorization (PA)."
 - Being required to try a different drug first before we agree to cover the drug you ask for. This is sometimes called "step therapy."
 - Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.

G3. Important things to know about asking for an exception

Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Chapter 9: What to do if you have a problem or complaint
(coverage decisions, appeals, complaints)

Our *Drug List* often includes more than one drug for treating a specific condition. These are called “alternative” drugs. If an alternative drug is just as effective as the drug you ask for and wouldn’t cause more side effects or other health problems, we generally **don’t** approve your exception request.

We can say **Yes** or **No** to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

G4. Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling **1-877-412-2734** (TTY **711**), 24 hours a day, 7 days a week, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don’t need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of this *Member Handbook*.
- If you ask for an exception, give us a “supporting statement.” The supporting statement includes your doctor or other prescriber’s medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

A “fast coverage decision” is called an **“expedited coverage determination.”**

You can get a fast coverage decision if:

- **within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO's decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO's decision.
- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called "upholding the decision" or "turning down your appeal".

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can't make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
 - Decide if you want to make a Level 3 Appeal.
 - Refer to the letter the IRO sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.

H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of this *Member Handbook*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "discharge date."
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you're being asked to leave the hospital too soon or you're concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called "An Important Message from Medicare about Your Rights." Everyone with Medicare gets a copy of this notice whenever they're admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Customer Service at the numbers at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
 - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
 - Be a part of any decisions about the length of your hospital stay.

- **Sign the notice** to show that you got it and understand your rights.
 - You or someone acting on your behalf can sign the notice.
 - Signing the notice **only** shows that you got the information about your rights. Signing **doesn't** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.

You can look at a copy of the notice in advance if you:

H2. Making a Level 1 Appeal

To ask for us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They aren't part of our plan.

In California, the QIO is Commence Health. Call them at 1-877-588-1123. Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in **Chapter 2**.

What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren't required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that's the right discharge date that's medically appropriate for you.

I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- home health care services
- skilled nursing care in a skilled nursing facility, **and**
- rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

I1. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we'll stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing **doesn't** mean you agree with our decision.

I2. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** for more information about complaints.

J. Taking your appeal beyond Level 2

J1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both of your appeals were turned down, you may have the right to additional levels of appeal.

If the dollar value of the Medicare service or item you appealed doesn't meet a certain minimum dollar amount, you can't appeal any further. If the dollar value is high enough, you can continue the appeals process. The letter you get from the IRO for your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal, we have the right to appeal a Level 3 decision that's favorable to you.

- If we decide **to appeal** the decision, we send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the ALJ or attorney adjudicator's decision.
 - If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.
- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 Appeal.

Level 4 Appeal

The Medicare Appeals Council (Council) reviews your appeal and gives you an answer. The Council is part of the federal government.

If the Council says **Yes** to your Level 4 Appeal or denies our request to review a Level 3 Appeal decision favorable to you, we have the right to appeal to Level 5.

A. When you can end your membership in our plan

Most people with Medicare can end their membership during certain times of the year. Since you have Medi-Cal,

- you have some choices to end your membership with our plan any month of the year.

In addition, you may end your membership in our plan during the following periods each year:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

- you move out of our service area,
- your eligibility for Medi-Cal or Extra Help changed, **or**
- if you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

Your membership ends on the last day of the month that we get your request to change your plan. For example, if we get your request on January 18, your coverage with our plan ends on January 31. Your new coverage begins the first day of the next month (February 1, in this example).

If you leave our plan, you can get information about your:

- Medicare options in the table in **Section C1**.
- Medi-Cal options and services in **Section C2**.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. For more information, visit www.caloptima.org/OneCare.

Chapter 10: Ending your membership in our plan

- You must be a United States citizen or lawfully present in the United States to be a member of our plan.
- The Centers for Medicare & Medicaid Services (CMS) notify us if you're not eligible to remain a member on this basis.
- We must disenroll you if you don't meet this requirement.

If you're within our plan's 6-month period of deemed continued eligibility, we'll continue to provide all Medicare Advantage and Part D plan-covered Medicare benefits. However, during this period, we won't continue to cover Medicaid benefits that are included under Medi-Cal, nor will we pay the Medicare premiums or cost sharing for which the state would otherwise be liable had you not lost your Medicaid eligibility. The amount you pay for Medicare-covered services may increase during this period.

We can make you leave our plan for the following reasons only if we get permission from Medicare and Medi-Cal first:

- If you intentionally give us incorrect information when you're enrolling in our plan and that information affects your eligibility for our plan.
- If you continuously behave in a way that's disruptive and makes it difficult for us to provide medical care for you and other members of our plan.
- If you let someone else use your Member ID Card to get medical care. (Medicare may ask the Inspector General to investigate your case if we end your membership for this reason.)

We don't discriminate based on race, ethnicity, national origin, color, religion, sex, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get federal funding, and any other laws and rules that apply for any other reason.

D. Notice about Medicare as a second payer and Medi-Cal as a payer of last resort

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the first payer.

We comply with federal and state laws and regulations relating to the legal liability of third parties for health care services to members. We take all reasonable measures to ensure that Medi-Cal is the payer of last resort.

Medi-Cal members must utilize all other health coverage (OHC) prior to Medi-Cal when the same service is available under your health coverage since Medi-Cal is the payer of last resort. This means that in most cases, Medi-Cal will be the secondary payer to the Medicare OHC, covering allowable costs not paid by our plan or other OHC up to the Medi-Cal rate.

E. Notice about Medi-Cal estate recovery

The Medi-Cal program must seek repayment from probated estates of certain deceased members for Medi-Cal benefits received on or after their 55th birthday. Repayment includes Fee-For-Service and managed care premiums/capitation payments for nursing facility services, home and community-based services, and related hospital and prescription drug services received when the member was an inpatient in a nursing facility or was receiving home and community-based services. Repayment can't exceed the value of a member's probated estate.

Biosimilar: A biological drug that's very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription. (Go to "Interchangeable Biosimilar").

Brand name drug: A drug that's made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are usually made and sold by other drug companies and are generally not available until the patent on the brand name drug has ended.

It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services.

Cost-sharing: Amounts you have to pay when you get certain drugs. Cost-sharing includes copays.

Cost-sharing tier: A group of drugs with the same copay. Every drug on the *List of Covered Drugs* (also known as the *Drug List*) is in one of two cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

Daily cost-sharing rate: A rate that may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you're required to pay a copay. A daily cost-sharing rate is the copay divided by the number of days in a month's supply.

Here is an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7-day supply of the drug, your payment is less than \$0.05 per day multiplied by 7 days, for a total payment less than \$0.35.

Department of Health Care Services (DHCS): The state department in California that administers the Medicaid Program (known as Medi-Cal).

Disenrollment: The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

- An enrollee who has a terminal prognosis has the right to elect hospice.
- A specially trained team of professionals and caregivers provide care for the whole person, including physical, emotional, social, and spiritual needs.
- We’re required to give you a list of hospice providers in your geographic area.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than our cost-sharing amount for services. Call Customer Service if you get any bills you don’t understand.

Initial coverage stage: You begin in this stage when you fill your first prescription of the year. During this stage, we pay part of the costs of your drugs, and you pay your share.

Inpatient: A term used when you're formally admitted to the hospital for skilled medical services. If you're not formally admitted, you may still be considered an outpatient instead of an inpatient even if you stay overnight.

Interdisciplinary Care Team (ICT or Care team): A care team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need. Your care team also helps you make a care plan.

Interchangeable Biosimilar: A biosimilar that may be substituted at the pharmacy without needing a new prescription because it meets additional requirements about the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

If you have questions, please call CalOptima Health OneCare Complete at **1-877-412-2734 (TTY 711)**, 24 hours a day, 7 days a week. The call is free. **For more information,** visit www.caloptima.org/OneCare.

The *Drug List* tells you if there are any rules you need to follow to get your drugs. The *Drug List* is sometimes called a “formulary”.

Long-term services and supports (LTSS): Long-term services and supports help improve a long-term medical condition. Most of these services help you stay in your home so you don’t have to go to a nursing facility or hospital. LTSS covered by our plan include Community-Based Adult Services (CBAS), also known as adult day health care, Nursing Facilities (NF), and Community Supports. IHSS and 1915(c) waiver programs are Medi-Cal LTSS provided outside our plan.

Low-income subsidy (LIS): Refer to “Extra Help.”

Mail Order Program: We offer a mail-order program that allows you to get up to a 3-month supply of your covered prescription drugs sent directly to your home. This may be a cost-effective and convenient way to fill prescriptions you take regularly.

Medi-Cal: This is the name of California Medicaid program. Medi-Cal is managed by the state and is paid for by the state and the federal government.

- It helps people with limited incomes and resources pay for long-term services and supports and medical costs.

- Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medi-Cal.

Medicare Part C: The Medicare program, also known as “Medicare Advantage” or “MA”, that lets private health insurance companies provide Medicare benefits through an MA Plan.
