How to Access Interpreter Services

To request interpreter services for members of CalOptima Health Medi-Cal or OneCare (HMO D-SNP), a Medicare Medi-Cal Plan, please use the list below to contact the member’s health network after verifying eligibility. The health network will work with you and the member to coordinate all interpreter services. To request service, first determine if telephonic or face-to-face interpretation is needed.

- **Telephonic interpretation** is recommended for urgent situations or short and simple conversations. This service is available 24/7.
- **Face-to-face interpretation**, including sign language, is recommended **when complicated or extensive explanation of treatment or symptoms is required**. This service is available for scheduled medical appointments in an ambulatory setting and requires at least five working days’ advance notice.
- Please note that if the member resides in a long-term care facility or is an inpatient at a hospital, the facility or hospital is responsible for providing interpreter services.
- If the member is in CalOptima Health Direct, call CalOptima Health’s Customer Service Department at **714-246-8500**. Prior authorization is not required.

Please have the following information ready at the time of the request:

• Member’s name	• Date of appointment	• Type of visit
• Member’s client index number (CIN) or ID number	• Time of appointment	• Name of doctor/facility
• Member’s gender	• Language needed	• Address of appointment/location
• Member’s age	• Approximate duration	• Phone number of appointment/location
